
January 2018 Event Assessment

Battle of the Scholars

This is an event that we donate the facility for. It is a school situation to encourage Rodeo athletes to participate in some of the events of Rodeo that are lacking numbers. It was free to each participant to come and try their hand at the Bareback and saddle bronc events. The promoter, Powder River Rodeo offered \$2,000.00 in scholarship moneys and prizes to some of the participants that showed promise in the events.

Wasatch County Team Roping Night

I would like to report that the team roping night has been very successful this month. We have had on an average of 15 to 20 participants per night. We have had a number of new riders that have never roped before. It is good to see new participants.

Fitting night was on December 14th for the kids that signed up for rentals, in the east class room from 6:30 - 7:30 we had 30 individuals get fitted for upcoming ski school that runs January- February.

Ski and Snowboard School will be held at Sundance Resort on Saturday's January 6-Feb 10. The Bus will leave the Wasatch County Rec Center at 12:30 PM Sharp. The bus will return by 5:00 PM.

We begin the day by loading the kids on the bus attaching their day passes and checking them off on our attendance sheet. We arrive at Sundance around 1 PM get kids off the bus and into equipment and off to lessons with their instructors. During lessons we take care of any issues that come up, such as kids being cold or equipment not fitting. At 4 PM we gather the kids and put all rental equipment away and load back up on the bus. After checking everyone off the list for the day we head home to meet up with parents at the Rec Center. We will then unload all personal equipment from the truck and call any parents who haven't picked up their kids yet.

**Expanded Jr. Jazz (2nd-4th Grade Boys and 2nd-3rd Grade Girls)
Wednesday Nights-**

Started on January 10th and will go until February 14th. Games Start at 5PM and go until 8PM on 3 of our basketball courts.

On the first night of Jr. Jazz we gave all the coaches jerseys to hand out to the kids who ordered them. We then have the teams practice for the first 15 minutes of each game. After the 15 minutes the kids then play a game against the opposing team. We hand out colored wrist bands to help the kids understand how to guard the same color wristband. I will walk around to make sure games are going and answer any of the questions that may come up. After the hour is up I will go make sure all games have ended and the next group of kids will take the court with their coaches.

This year we have had a great group of coaches that are putting in extra time with the kids and holding practices. We also had Wright Orthodontics who is one of our local businesses come and hand out water bottles to all the kids.

Jr. Jazz (5th-8th Grade Boys and 4th-8th Grade Girls) Saturday Mornings-

Started on January 6th and will go until February 17th. Boys start at 8AM and go until 9:30AM. Girls start at 9:30 and go until 11AM. On Saturdays we use all 4 of our basketball courts.

This program is awesome because of the support we get from our high school basketball teams. Every morning the coach and players from the boys and girls teams instruct our players for the first 45 minutes. They teach them new drills and work with them on improving their games. After the first 45 minutes we break into games and the high school players then ref the basketball games for the kids.

Wear your shorts and a t-shirt and come join the fun!

This is a new program that we are offering that has had a great turn out in its first session. I help the instructors set up the mats and with anything else they may need during the night. I also had parents come and tell me how awesome the instructors are and are excited to see what their kids learn throughout the program. I'm excited to watch this program, so I can learn more about it and be able to answer any questions in the future.
