

**TOUR ITINERARY**  
**Utah Department of Transportation**  
**Utah Transportation Commission**  
**May 10, 2012**  
**Cedar City, Utah**

**12:00 p.m. Meet in the Parking Lot of the SpringHill Suites**

1477 South Old Highway 91  
Cedar City, Utah

**12:10 p.m. Load vans**

**12:15 p.m. Depart for Tour**

**Tour includes the following:**

**NOTE:** Dress casually and wear sturdy shoes (no open toes). Also, you will have to carry what you take on the van for the 1 mile walk through the slide area to the bus on the other side, so travel light! If you have anything heavy that needs to be on the bus, it needs to be at the SpringHill Suites by 10:00 a.m. so it can be transferred to the bus that will meet us on the other side of the slide.

Travel to SR-14 slide and walk the slide area (about 1 mile)

Board bus and travel SR-14

- View other slides at MP 9, 10, & 17 enroute to Duck Creek
- Forest Service partnership
- Pullout locations to be enhanced

Travel Mammoth Creek Road to SR-143 to Panguitch Lake

- Bus and semi impacts
- Alternate route impacts
- SR-143 Condition index report
- Forest Service partnership request

Travel SR-143 to Panguitch, US-89 to SR-20, and SR-20 to I-15

- Shoulder widening project and BLM partnering
- Cross country bikers
- Alton coal impacts
- Traffic light and new signal arms
- Rest area/visitors center – new enhancement project
- Alton coal haul and trailer issues on SR-20

Travel I-15 to Cedar, exit I-15 to drive Parowan Main Street

- I-15 projects from Scipio to St. George
- Rubbilize projects on Buckhorn and north of Beaver
- Federal Aid project to widen truck parking at rest area
- Parowan Main Street partnership project
- South Cedar Interchange project

**4:15 p.m. Return to SpringHill Suites**

\* The purpose of the tour is for the Commission to review area needs and construction \* projects that are upcoming, in progress, or completed.
