This TOQUERVILLE CITY STREET LIGHTING FACILITIES PURCHASE AND SALE AGREEMENT (the "Agreement") is made and entered into as of the ____ day of _____, 2018 ("Effective Date") by and between Rocky Mountain Power, an unincorporated division of PacifiCorp, ("Seller" or "Rocky Mountain Power"), and TOQUERVILLE CITY, a body corporate and politic of the State of Utah ("Buyer"), with reference to the following facts:

A. Seller is engaged in the business of generating, transmitting and distributing electric energy and in connection therewith owns certain street lighting facilities located within Buyer's annexed boundaries, as more fully described on Exhibit B, and attached hereto (the "Assets").

B. Buyer desires to purchase from Seller, and Seller desires to sell to Buyer, Seller's right, title and interest in and to the Assets upon the terms and subject to the conditions of this Agreement.

NOW, THEREFORE, in consideration of the foregoing recitals and the agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, do hereby agree as follows:

ARTICLE 1. DEFINITIONS

1.1 Certain Defined Terms. For purposes of this Agreement, the following terms shall have the following meanings:

1.1.1 "Asset Purchase Price" means the sum of Rocky Mountain Power's net depreciated book cost of the Assets, plus Separation Costs, plus Transactional Costs.

1.1.2 "Separation Costs" means all reasonable costs, charges, and expenses incurred by Rocky Mountain Power to inspect and inventory the Assets, update all inventory and real estate records, and change pole number plates in the field where necessary to delineate Buyer ownership, all as conclusively determined by Rocky Mountain Power's SAP accounting system.

1.1.3 "Transactional Costs" means all other reasonable costs, charges, and expenses incurred by Rocky Mountain Power including without limitation: costs to obtain regulatory approval, reasonable attorney fees, appraisal costs, overheads, expenses, and supplies and all other direct costs all as conclusively determined by Rocky Mountain Power's SAP accounting system.

1.1.4 "Business Day" means a day that is not a Saturday, a Sunday, or a day on which banking institutions in the State of Utah are not required to be open.

Draft

1.1.5 "Governmental Body" means any federal, state, local, municipal, or other government; any governmental, regulatory or administrative agency, commission, body or other authority exercising or entitled to exercise any administrative, executive, judicial, legislative, police, regulatory or taxing authority or power; and any court or governmental tribunal; but does not include Buyer, any Buyer subsidiary, or any of their respective successors in interest or any owner or operator of the Assets (if otherwise a Governmental Body).

1.1.6 "Knowledge" of a party shall mean with respect to such party, the extent of the actual knowledge of any Person listed on Exhibit A with respect to such party.

1.1.7 "Laws" shall mean all applicable statutes, rules, regulations, ordinances, orders, common law and their legal and equitable principles, and codes of federal, state and local governmental and regulatory authorities having jurisdiction.

1.1.8 "Licenses" shall mean registrations, licenses, permits, authorizations and other consents or approvals of Governmental Bodies.

1.1.9 "Person" means any individual, corporation (including any non-profit corporation), general or limited partnership, limited liability company, joint venture, estate, trust, association, organization, labor union, or other entity or Governmental Body.

1.1.10 "Taxes" shall mean (i) all federal, state, county and local sales, use, property, recordation and transfer taxes, and (ii) any interest, penalties and additions to tax attributable to any of the foregoing, but shall not include income and other taxes.

1.1.12 "Affiliate" shall mean any entity that substantially controls, is substantially controlled by, or is under common control with, Seller.

ARTICLE 2. BASIC TRANSACTION

2.1 Ownership. Rocky Mountain Power shall own the Assets until the Closing Date.

2.2 Operation and Maintenance. From and after the Closing Date, Buyer shall own and be solely responsible for the operation and maintenance of the Assets and shall bear all risk of loss of the Assets. Prior to the Closing Date, Rocky Mountain Power shall be responsible for the operation and maintenance of the Assets. For the life of the Assets, Buyer shall at all times operate and maintain the Assets in accordance with prudent utility practice.

2.3 Purchased Assets. On the terms and subject to the conditions contained in this Agreement, at the Closing, Buyer shall purchase, and Seller shall sell, convey, assign, transfer and deliver to Buyer all its right, title and interest in and to all street lighting facilities located within Buyer's annexed boundaries by way of a Bill of Sale in substantially the same form as Exhibit E attached hereto.

2.4 Actual Asset Purchase Price. The Asset Purchase Price for the Assets is Twenty Thousand Five Hundred Eighty Four and no/100 Dollars (\$20,584), as more fully described on Exhibit C, attached hereto ("Break Down of Asset Purchase Price"). The parties agree and

Draft

acknowledge that separate from the Asset Purchase Price, Buyer has previously paid to Seller the amount of \$346.14, which amount represents reimbursement for field assessment costs.

2.5 Excluded Liabilities and Excluded Receivables. The parties agree that liabilities and obligations of Seller not described herein as assumed liabilities are not part of the assumed liabilities, and Buyer shall not assume or become obligated with respect to any other obligation or liability of Seller or any Affiliate of Seller (collectively, "Excluded Liabilities"), including, without limitation, the liabilities and obligations described in this Section, all of which shall remain the sole responsibility of Seller. In particular, Buyer shall not have any liability or obligation with respect to any of the following liabilities or obligations of Seller as the same may exist at the Closing:

2.5.1 Liabilities or obligations of Seller or its Affiliates arising from Seller's ownership, operation or use of the Assets prior to the Closing Date.

2.5.2 Subject to Section 6.2 respecting certain expenses incurred in connection with the transactions contemplated hereby, any of Seller's or its Affiliates' liabilities or obligations with respect to franchise foreign, federal, state or local taxes imposed upon or measured, in whole or in part, by the income for any period of Seller or any member of any combined or consolidated group of companies of which Seller is, are, or was at any time, a part, or with respect to interest, penalties or additions to any of such taxes, and any income, franchise, tax recapture, transfer tax, sales tax or use tax that may arise upon consummation of the transactions contemplated hereby and be due from or payable by Seller, it being understood that Buyer shall not be deemed to be Seller's transferee with respect to any such tax liability.

2.5.3 Liabilities of Seller for third party claims where the injury or damage occurred prior to the Closing.

2.5.4 Liabilities of Seller incurred in connection with Seller obtaining any consent, authorization or approval necessary to sell, convey, assign, transfer or deliver the Assets to Buyer hereunder.

2.5.5 Any liability of Seller representing indebtedness for money borrowed, the deferred portion of the purchase price for any of the Assets (and any refinancing thereof), or money owed for materials and/or labor relating to the Assets. With respect to such indebtedness or obligation that constitutes a lien or encumbrance upon any Asset, Seller agrees that on or prior to the Closing it shall either pay or discharge such indebtedness or obligation in full or otherwise cause such lien or encumbrance to be removed from the Asset, so that such Asset is sold, conveyed, assigned, transferred and delivered to Buyer at the Closing free and clear of such lien or encumbrance.

2.5.6 That street lighting and joint-use-attachment revenue, due the Seller, that was earned prior to the close of the sale, whether billed or not billed, remains a receivable of the Seller and the right to receive said revenue is not transferred to the Buyer by this agreement.

2.6 Third-Party Facilities Attached to Seller's Assets. Seller has represented to Buyer that certain of the Assets have attachments owned by third parties, as more particularly set forth in Exhibit F. Seller makes no representation, warranty nor guaranty as to the compliance of

Draft

such attachments with applicable regulations. Following Closing, Buyer shall be responsible for negotiating third-party attachment rights directly with the owner(s) of the attachments.

ARTICLE 3. REPRESENTATIONS AND WARRANTIES OF SELLER

Seller hereby represents and warrants to Buyer, as of the date hereof, as follows:

3.1 Organization and Corporate Power. Seller is an Oregon corporation, duly organized and validly existing under the laws of the State of Oregon, and is duly qualified to do business in the State of Utah. Seller has all requisite power and authority to own the Assets and to perform the transaction on its part contemplated by this Agreement.

3.2 Authority and Enforceability. The execution, delivery and performance of this Agreement and the consummation of the transaction contemplated hereby has been duly authorized by the board of directors or other applicable governing body of Seller; no other corporate act or proceeding on the part of Seller is necessary to authorize this Agreement. This Agreement has been and shall, as of the Closing, have been duly executed and delivered by Seller, and this Agreement constitutes, and when executed and delivered, shall constitute, a valid and binding obligation of Seller, enforceable against Seller in accordance with its terms, except as it may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar Laws now or hereafter in effect relating to creditors' rights generally and that the remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding may be brought.

3.3 No Breach or Conflict. The execution, delivery and performance by Seller of this Agreement do not: (a) conflict with or result in a breach of any of the provisions of the Articles of Incorporation or Bylaws or similar charter documents of Seller; (b) to Seller's Knowledge, contravene any Law presently in effect or cause the suspension or revocation of any License presently in effect, which affects or binds Seller or any of its properties, except where such contravention, suspension or revocation shall not have a Material Adverse Effect (as defined below) on the Assets and shall not affect the validity or enforceability of this Agreement; or (c) conflict with or result in a breach of or a default (with or without notice or lapse of time or both) under any material agreement or instrument to which Seller is a party or by which it or any of its properties applicable to the Assets may be affected or bound, the effect of which conflict, breach, or default, either individually or in the aggregate, would be a Material Adverse Effect on the Assets. As used herein, a "Material Adverse Effect": (a) when used with respect to the Assets, means any adverse effect on the Assets, or on the operation thereof, when taken as a whole, but only to the extent such adverse effect would be deemed material by a reasonably prudent person under the circumstances; and (b) when used with respect to an entity, such as a Seller or Buyer, means any adverse effect on the business, condition (financial or otherwise) or results of operations of such entity, when taken as a whole, or on the ability of such entity to consummate the transaction contemplated hereby, but only to the extent such adverse effect would be deemed material by a reasonably prudent person under the circumstances.

Draft

3.4 Approvals. The execution, delivery and performance by Seller of this Agreement does not require the authorization, consent or approval of any non-governmental third party of such a nature that the failure to obtain the same would have a Material Adverse Effect on the Assets or the Assets substantially as they have heretofore operated.

3.5 Compliance with Law. To Seller's Knowledge, Seller is in compliance in all material respects with all pertinent Laws and Licenses related to the ownership and operation of the Assets, other than violations that would not, individually or in the aggregate, have a Material Adverse Effect on the ownership, use or operation of the Assets or on the ability of Seller to execute and deliver this Agreement or any other agreements contemplated hereby and consummate the transactions contemplated hereby and thereby.

3.6 Title to Property. Seller has good and defensible title to all tangible personal property included in the Assets to be sold, conveyed, assigned, transferred and delivered to Buyer by Seller, free and clear of all liens, charges, claims, pledges, security interests, equities and encumbrances of any nature whatsoever suffered or created by Seller, except for the following (individually and collectively, the "Permitted Encumbrances"): (i) the lien of current taxes not delinquent, (ii) existing licensed pole attachments of third parties, (iii) liens, charges, claims, pledges, security interests, equities and encumbrances to be discharged or released either prior to, or substantially simultaneously with, the Closing and other liens and possible minor matters that in the aggregate are not substantial in amount and do not materially detract from or interfere with the present or intended use of such property.

3.7 Litigation. Except for (a) ordinary routine claims and litigation incidental to the businesses represented by the Assets (including, without limitation, actions for negligence, workers' compensation claims and the like), and (b) proceedings before regulatory authorities there are no actions, suits, claims or proceedings pending, or to Seller's Knowledge, threatened against or affecting the Assets or relating to the operations of the Assets, at law or in equity, or before or by any Governmental Body. There is no condemnation proceeding pending or, to Seller's Knowledge, threatened against any of the Assets.

3.8 Brokers. No broker, finder, or investment banker is entitled to any brokerage, finder's or other fee or commission in connection with this Agreement or the transactions contemplated hereby based upon any agreements or arrangements or commitments written or oral, made by or on behalf of Seller.

3.9 Condition of Assets. Seller sells the Assets to Buyer "AS IS, WHERE IS, WITH ALL FAULTS." Seller hereby disclaims and excludes here from, (a) any express or implied representation or warranty as to the value, condition, design, operation, or quality of the materials or workmanship in, or any defects in, the Assets, (b) any express or implied warranty of merchantability or fitness for use or for a particular purpose, or (c) any express or implied representation, guarantee, obligation, liability or warranty of Seller, express or implied, of any kind, arising by law or from course of performance, course of dealing, or usage of trade.

ARTICLE 4. REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer hereby represents and warrants to Seller, as of the date hereof, as follows:

Draft

4.1 Organization and Power. Buyer is a municipal government entity, and is authorized to exercise its powers, rights and privileges and is in good standing in, the State of Utah and has full power to carry on its business as presently conducted and to own or lease and operate its properties and assets now owned or leased and operated by it and to perform the transaction on its part contemplated by this Agreement.

4.2 Authority and Enforceability. The execution, delivery and performance of this Agreement and the consummation of the transaction contemplated hereby have been duly authorized by the applicable governing body of Buyer; no other governmental act or proceeding on the part of Buyer is necessary to authorize this Agreement. This Agreement has been and shall, as of the Closing, have been, duly executed and delivered by Buyer, and this Agreement, when executed and delivered, shall constitute a valid and binding obligation of Buyer, enforceable against Buyer, in accordance with its terms, except as it may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar Laws now or hereafter in effect relating to creditors' rights generally and that the remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding may be brought.

4.3 No Breach or Conflict. The execution, delivery and performance by Buyer of this Agreement do not: (a) conflict with or result in a breach of any of the provisions of the organizational documents of Buyer, (b) contravene any Law or cause the suspension or revocation of any License presently in effect, which affects or binds Buyer or any of its material properties; (c) conflict with or result in a breach of or default under any material agreement or instrument to which Buyer is a party or by which it or any of its properties may be affected or bound; or (d) conflict with, violate any provision of or result in a breach of or default of any financial obligations of Buyer including, without limitation, bonding covenants to which Buyer is subject.

4.4 Approvals. The execution, delivery and performance by Buyer of this Agreement do not require the authorization, consent or approval of any non-governmental third party.

4.5 Condition of Assets. Buyer agrees that except for the representations and warranties expressly set forth in this agreement, the assets shall be purchased by Buyer on an "AS IS, WHERE IS" basis and in "WITH ALL FAULTS" condition. Buyer acknowledges that Seller disclaims and excludes here from, (a) any express or implied representation or warranty as to the value, condition, design, operation, or quality of the materials or workmanship in, or any defects in, the assets, (b) any express or implied warranty of merchantability or fitness for use or for a particular purpose, and (c) any express or implied representation, guarantee, obligation, liability or warranty of Seller, express or implied, of any kind, arising by law or from course of performance, course of dealing, or usage of trade.

4.6 No Knowledge of Seller's Breach. Buyer has no Knowledge of any breach of any representation or warranty by Seller or of any other condition or circumstance that would excuse Buyer from its timely performance of its obligation hereunder. Buyer shall notify Seller as promptly as practicable if any such information comes to its attention prior to Closing.

Draft

4.7 Qualified for Licenses. To Buyer's Knowledge, Buyer is either (a) qualified to obtain any Licenses necessary for the operation by Buyer of the Assets as of the Closing in the same manner as the Assets are presently operated; or (b) exempt from any Laws requiring Licenses for the operation by Buyer of the Assets as of the Closing in the same manner as the Assets are presently operated.

ARTICLE 5. COVENANTS OF EACH PARTY

5.1 Efforts to Close; Reasonable Efforts. Subject to the terms and conditions herein provided including, without limitation, Articles 8 and 9 hereof, each of the parties hereto agrees to take all reasonable actions and to do all reasonable things necessary, proper or advisable under any Laws to consummate and make effective, as soon as reasonably practicable, the transaction contemplated hereby, including the satisfaction of all conditions thereto set forth herein. Other than Buyer's and Seller's obligations under Section 11.3, no party shall have any liability to the other party if, after using its reasonable commercial efforts, it is unable to obtain any consents, authorizations or approvals necessary for such party to consummate the transaction contemplated hereby. As used herein, the terms "reasonable efforts" or "reasonable actions" do not include the provision of any consideration to any third party or the suffering of any material economic detriment to a party's ongoing operations for the procurement of any such consent, authorization or approval.

Buyer takes full responsibility for the installation of such replacement components.

6.4.1 Buyer has arranged or shall arrange for personnel qualified under Occupational Safety and Health Administration (OSHA) and NESC requirements to operate, maintain, and repair the Assets, and shall in no way rely on Rocky Mountain Power for such services. Buyer acknowledges the need to only utilize workers qualified as per requirements in OSHA 29 C.F.R. 1910.268 and 29 C.F.R. 1910.269 to perform maintenance on the Assets.

6.5 Energy Only Rate Schedule. The Assets purchased shall be placed on an energy-only rate schedule shown in Exhibit D, upon Closing. Buyer shall ensure that all future street lights added to Buyer's system have a means of disconnect suitable to Seller and the electrical inspection authority having jurisdiction. Buyer agrees that all connections and disconnections of the Assets from Seller's overall system shall be handled exclusively by Seller. Buyer shall provide Seller with notice of any changes to the Assets after the Closing that would affect Seller's billing arrangement with Buyer. Buyer shall comply with all of Seller's rules, regulations and requirements with respect to altering facilities and/or adding new facilities.

6.6 Notification of Change in Ownership. Within thirty (30) days following the Closing Date, Buyer shall notify all owners of real property located within Buyer's annexed town limits of Buyer's acquisition of the Assets. Notice need not be provided by direct mail.

ARTICLE 7. ADDITIONAL COVENANTS OF SELLER

7.1.1 Operate and maintain the Assets only in the usual and ordinary course, materially consistent with practices followed prior to the execution of this Agreement;

7.1.2 Not (i) sell, lease, transfer or dispose of, or make any contract for the sale, lease, transfer or disposition of, any assets or properties which would be included in the Assets,

Draft

other than sales in the ordinary course of business which would not individually, or in the aggregate, have a Material Adverse Effect upon the operations or value of Assets; (ii) incur, assume, guaranty, or otherwise become liable in respect of any indebtedness for money borrowed which would result in the Buyer assuming such liability hereunder after the Closing; (iii) delay the payment and discharge of any liability which, upon Closing, would be an assumed liability, because of the transactions contemplated hereby; (iv) encumber or voluntarily subject to any lien any Asset (except for Permitted Encumbrances); or (v) sell, lease, transfer or dispose of, to any Affiliate of Seller, any assets or properties which would be included in the Assets, or remove any such assets or property to or for the benefit of Seller or any Affiliate of any Seller;

7.2 Conduct Following Closing. Seller shall take the following actions following Closing, as specified in this Section 7.2.

7.2.1 Renumbering of Purchased Poles. Within 90 days following the Closing, Seller shall physically renumber all sale poles via Seller-owned pole plates so as to indicate Buyer ownership for future tracking and billing purposes.

7.2.2 Notice to Third-Party Attachers of Change of Pole Ownership. Seller shall give abandonment notice to all known third-party attachers within thirty (30) days following Closing. A list of all known third party attachments is attached hereto as Exhibit F. Except as specifically set forth in this Section 7.2.2, Seller's responsibility with respect to the third party attachments shall conclude at Closing.

The representations and warranties of Seller set forth in Article 3 of this Agreement shall be true in all material respects as to the Assets in question and as of the date of this Agreement (unless the inaccuracy or inaccuracies which would otherwise result in a failure of this condition have been cured as of the Closing) and as of the Closing.

8.3 Approvals. All approvals, consents, authorizations and waivers from other Governmental Bodies and all approvals, consents, authorizations and waivers from other third

Draft

parties (collectively "Approvals") required for Buyer to operate the Assets materially in accordance with the manner in which it was operated by Seller prior to the Closing, shall have been obtained in form and substance satisfactory to Buyer in its reasonable discretion.

8.4 No Restraint. There shall be no:

8.4.1 Injunction, restraining order or order of any nature issued by any court of competent jurisdiction or Governmental Body which directs that the transaction contemplated hereby shall not be consummated as herein provided or compels or would compel Buyer to dispose of or discontinue, or materially restrict the operations of, the Assets or any significant portion of the Assets with respect thereto as a result of the consummation of the transaction contemplated hereby;

8.4.2 Suit, action or other proceeding by any Governmental Body pending or threatened (pursuant to a written notification), wherein such complainant seeks the restraint or prohibition of the consummation of the transaction contemplated hereby or seeks to compel, or such complainant's actions would compel, Buyer to dispose of or discontinue, or materially restrict the operations of, the Assets as a result of the consummation of the transaction contemplated hereby; or

8.4.3 Action taken, or Law enacted, promulgated or deemed applicable to the transaction contemplated hereby, by any Governmental Body which would render the purchase and sale of the Assets illegal or which would threaten the imposition of any penalty or material economic detriment upon Buyer if such purchase and sale were consummated; provided that the Parties shall use their reasonable efforts to litigate against, and to obtain the lifting of, any such injunction, restraining or other order, restraint, prohibition, action, suit, Law or penalty.

8.5 Casualty; Condemnation.

8.5.1 Casualty. If any part of the Assets is damaged or destroyed (whether by fire, theft, vandalism or other casualty) in whole or in part prior to the Closing, and the fair market value of the damaged, lost or destroyed Assets or the cost of repair of the Assets that were damaged or destroyed is less than 15 percent of the aggregate Asset Purchase Price, the Seller shall, at its option, either (i) reduce the Asset Purchase Price by the lesser of the fair market value of the Assets damaged or destroyed (such value to be determined as of the date immediately prior to such damage or destruction), or the estimated cost to repair or restore the same, (ii) upon the Closing, transfer the proceeds or the rights to the proceeds of applicable insurance to Buyer, provided that the proceeds or the rights to the proceeds are obtainable without delay and are sufficient to fully restore the damaged Assets, or (iii) repair or restore such damaged or destroyed Assets. If any part of the Assets related to the Assets are damaged or destroyed (whether by fire, theft, vandalism or other cause or casualty) in whole or in part prior to the Closing and the lesser of the fair market value of such Assets or the cost of repair is greater than 15 percent of the aggregate Asset Purchase Price, then Buyer may elect to terminate this Agreement or require Seller upon the Closing to transfer the proceeds (or the right to the proceeds) of applicable insurance to Buyer and Buyer may restore or repair the Assets.

8.5.2 Condemnation. From the date hereof until the Closing, in the event that any material portion of the Assets becomes subject to or is threatened with any condemnation or eminent domain proceedings, then Buyer may, (i) if such condemnation, if successful, would not practically preclude the operation of the balance of the Assets for the purposes for which they were intended, elect to terminate this Agreement with respect only to that part which is condemned or threatened to be condemned with a reduction in the Asset Purchase Price, or (ii) if such condemnation, if successful, would practically preclude the operation of the balance of the Assets for purposes for which it is intended, elect to terminate this Agreement.

8.6 Receipt of Other Documents. Buyer shall have received all other documents, instruments and writings reasonably required to be delivered to Buyer at or prior to Closing pursuant to the Agreement and such other certificates of authority and documents as Buyer reasonably requests.

8.7 Material Adverse Effect. There shall not have been an impairment of any Asset, as a result of a degradation of its physical condition, a change in Law, or provision of any approval that could reasonably be expected to have a Material Adverse Effect on the Buyer's ability to operate the Assets.

ARTICLE 9. SELLER'S CONDITIONS TO CLOSING

The obligations of Seller to consummate the transaction contemplated hereby with respect to the Assets related thereto shall be subject to the fulfillment at or prior to the Closing of the following conditions, unless Seller waives in writing such fulfillment.

9.1 Performance of Agreement. Buyer shall have performed in all material respects its agreements and obligations contained in this Agreement required to be performed on or prior to the Closing.

9.2 Accuracy of Representations and Warranties. The representations and warranties of Buyer set forth in Article 4 of this Agreement shall be true in all material respects as of the date of this Agreement (unless the inaccuracy or inaccuracies which would otherwise result in a failure of this condition have been cured by the Closing) and as of the Closing as if made as of such time.

9.3 Approvals. All Approvals required for Seller to consummate the transaction contemplated shall have been obtained in form and substance satisfactory to Seller affected by such Approval in its reasonable discretion.

9.4 No Restraint. There shall be no:

9.4.1 Injunction, restraining order or order of any nature issued by any court of competent jurisdiction or Governmental Body which directs that the transaction contemplated hereby shall not be consummated as herein provided;

11.1.1 At any time, by mutual written consent of the Seller and Buyer; or

11.1.2 By either Buyer or the Seller, as the case may be, upon 30 days written notice given any time after (i) the issuance of an order by a Governmental Body in a manner that fails to meet the conditions of the terminating party set forth in Sections 8.4 or 9.4, as the case may be, or (ii) all necessary applications for approval of this Agreement by Governmental Bodies have been filed and a final order, not including any period after such order during which applications for rehearing or modification or judicial appeals or remedies are pending, has not been obtained with respect to each such Application by the Termination Date.

11.1.3 By one Party upon written notice to the other if there has been a material default or breach under this Agreement by another party which is not cured by the earlier of the Closing Date or the date 30 days after receipt by the other party of written notice from the terminating party specifying with particularity such breach or default; or

If there has been a termination pursuant to Section 11.1, then this Agreement shall be deemed terminated and all further obligations of the parties hereunder shall terminate, except that the obligations set forth in ARTICLE 12 shall survive. TOQUERVILLE CITY
ORDINANCE 2018.XX

AN ORDINANCE REVISING AND RESTATING IN ITS ENTIRETY SECTION 2, CHAPTER 3, TITLE 10 OF THE TOQUERVILLE CITY CODE TO REORGANIZE AND RE-NAME THE TOQUERVILLE BOARD OF ADJUSTMENT TO A SINGLE MEMBER PANEL KNOWN AS THE TOQUERVILLE APPEAL AUTHORITY

RECITALS

WHEREAS, pursuant to the Utah Constitution and the partial delegation of the State's police powers to municipalities and counties to regulate land use and development of land within its boundaries, the Utah State Legislature adopted Chapter 9a of Title 10 (Municipal Code), known as the Utah Land Use Development & Management Act – "LUDMA" in 2005.

WHEREAS, pursuant to LUDMA, a municipality has been required to have at least one separate body (other than its governing body) to act as an "appeal authority" to hear appeals on various types of land use decisions or staff interpretations/applications of a City's land use ordinances as well as property owners' applications for variances.

WHEREAS, in compliance with the requirements of LUDMA, Toquerville City ("City") has maintained a body of appointed officials known as the Toquerville Board of Adjustments ("B of A") and the Toquerville City Council ("City Council") has designated the B of A as its "appeal authority" on all types of land use related appeals from decisions made by the City Council and Toquerville Planning Commission as well as the appeal authority for purposes of hearing and determining whether or not to grant variances for structures and parcels not in conformance with Title 10 of the Toquerville City Code (Land Use Regulations).

WHEREAS, in recent years the Utah State Legislatures have made changes to LUDMA to clarify that a municipality's "appeal authority" need not consist of any certain number of members but that the size and the internal operation of an appeal authority is left to the discretion of each municipality, except in certain instances.

WHEREAS, the City Council has determined that because of the size of the City, the low number of variance applications and appeals, and the fact that Section 2, Chapter 3 of Title 10 of the Toquerville City Code requires the City Council to appoint regular members and two alternates to the B of A, it is not in the City and its residents' best interest to maintain such a large appeal authority and to keep them trained on the proper procedures, protocol and criteria prescribed LUDMA and Title 10 of the Toquerville City Code.

WHEREAS, the City Council has determined that it would be more cost effective and that a higher level of expertise, experience and professionalism could be obtained by the City in all land use appeals and variance requests that may come before it, if the Mayor, with the consent of the City Council were to appoint a single individual, who preferably has considerable experience and training in Utah municipal law and particularly municipal land use law as well as

Utah administrative law, Utah's Rules of Civil Procedure, Evidence, and Appellate Procedure who could hear appeals and various request and render decisions thereon in a very well-reasoned and articulated manner.

WHEREAS accordingly, the City Council has determine that in order to implement and authorize a one person, law-trained "Appeal Authority", that Section 2, Chapter 3 of Title 10 of the Toquerville City Code must be amended significantly.

ORDINANCE

NOW THEREFORE BE IT ORDAINED BY THE TOQUERVILLE CITY COUNCIL, based upon the recitals set forth above, that:

1. Amended & Restated Section 2, Chapter 3, Title 10 of the Toquerville City Code: Section 2, Chapter 3, Title 10 of the Toquerville City Code is hereby amended and restated in its entirety as follows:

10-3-2: APPEAL AUTHORITY

A. DEFINITIONS.

"Appeal Authority" means the person appointed by the Mayor with the advice and consent of council to hear appeals from person(s) who have been affected by the implementation of the Land Use Ordinances.

"Land Use Authority" means anyone who has the authority to interpret or implement the City's Land Use Ordinance and for purposes of this Section shall be the Toquerville City Council except for in those instances with the Land Use Ordinance the City Council has delegated a specific power to the Toquerville Planning Commission or an appointed official of the City, in which cases that body or person shall be the Land Use Authority.

"Land Use Ordinance" is defined in Title 10, Chapter 9a of the Utah Code and for purposes of this Section shall be Title 10 of the Toquerville City Code.

B. APPOINTMENT.

There is hereby created an Appeal Authority to be appointed by the Mayor with the advice and consent of the City Council. It is the intent of the City that the appointed individual will not personally benefit from decisions associated with the interpretation of the ordinances of the City.

C. TERM.

The Appeal Authority shall serve for a term of two (2) years. Notwithstanding the preceding, the term of office of the initial Appeal Authority shall run from the date of appointment until December 31, 2020. Thereafter all subsequent terms shall

commence on January 1st of every other year or until the Appeal Authority position is vacant on account of death, resignation, removal or disqualification. In the event of early vacancy, the position of Appeal Authority shall be filled in the same manner as an original appointment for the expired term.

D. REMOVAL.

The appointed Appeal Authority may be removed for cause by the City Council upon written charges, which shall be filed with the Mayor, and after public hearing, if such public hearing is requested by the appointed Appeal Authority.

E. DUTIES AND POWERS.

- 1. The Appeal Authority shall have the following powers and duties:*
 - a. To act in a quasi-judicial manner;*
 - b. Hear and decide requests for "variances" as that term is defined in Utah Code Ann. §10-9a-702;*
 - c. Hear and decide appeals of the Land Use Authority's administrative decisions applying the Land Use Ordinance.*
 - d. Serve as the final arbiter of issues involving the interpretation or the application of Land Use Ordinances.*
 - e. Hear and decide appeals from a fee charged in accordance with section 10-9a-510 of the Utah Code.*
- 2. The Appeal Authority may not entertain an appeal of a matter in which the Appeal Authority, or any participating member, had first acted as the Land Use Authority.*

F. APPEALS TO THE APPEAL AUTHORITY.

- 1. As a condition precedent to judicial review, each adversely affected person may specifically challenge a Land Use Authority's decision, within fifteen (15) days of the land use decision and pay the related fee as may be set by the City Council, amended from time to time, and designated in the City's Uniform Fee Schedule.*
- 2. The Appeal Authority shall determine the correctness of a decision of the Land Use Authority in its interpretation and application of a Land Use Ordinance.*

3. *Only those decisions in which a Land Use Authority has applied a Land Use Ordinance to a particular application, person or parcel may be appealed to the Appeal Authority.*
4. *All documents and exhibits constituting the record upon which the action appealed was made shall be presented to the City Clerk with the application for hearing.*
5. *For every appeal, the applicant shall present to the Appeal Authority every theory of relief that it can raise in District Court.*
6. *The Appeal Authority shall conduct each appeal and variance hearing as described by this Section.*
7. *The person or entity who filed the appeal has the burden of proving that the Land Use Authority erred.*
8. *The Appeal Authority shall respect the due process rights of each of the participants in providing them with proper notice, right to be heard at a hearing and right to have legal counsel present and participate at said hearing if he/she/it so desires.*
9. *After the hearing, the Appeal Authority may give a preliminary decision, but shall issue a written decision within sixty (60) days after the hearing or after an applicant has submitted their appeal or variance request for decision and waiving their right to hearing in writing.*
10. *If an appeal of a land use decision is lodged with the City, the City Council may waive the requirements of Subsection F.1., above and allow the applicant to make their appeal directly to the 5th District Court, in and for Washington County, State of Utah.*

G. VARIANCES.

Any person or entity desiring a waiver or modification of the requirements of a Land Use Ordinance as applied to a parcel or property that he owns, leases, or in which he holds some other beneficial interest may apply to the Appeal Authority for a variance from the terms of the ordinance.

1. *The Appeal Authority may grant a variance only if:*
 - a. *The literal enforcement of the ordinance would cause an unreasonable hardship for the applicant that is not necessary to carry out the general purpose of the Land Use Ordinances;*
 - b. *There are special circumstances attached to the property that do not generally apply to other properties in the same zoning district;*

- c. Granting the variance is essential to the enjoyment of a substantial property right possessed by other property in the same zoning district;*
 - d. The variance will not substantially affect the general plan and will not be contrary to the public interest; and*
 - e. The spirit of the Land Use Ordinance is observed and substantial justice done.*
- 2. In determining whether or not enforcement of the Land Use Ordinance would cause unreasonable hardship under Subsection G.1.a., the Appeal Authority may not find an unreasonable hardship unless the alleged hardship:*
 - a. Is located on or associated with the property for which the variance is sought; and*
 - b. Comes from circumstances peculiar to the property, not from conditions that are general to the neighborhood; or*
 - c. The hardship is self-imposed or economic.*
- 3. In determining whether or not there are special circumstances attached to the property under Subsection G.1.b., the Appeal Authority may find that special circumstances exist only if the special circumstances:*
 - a. Relate to the hardship complained of; and*
 - b. Deprive the property of privileges granted to other properties in the same zoning district.*
- 4. The applicant shall bear the burden of proving that all of the conditions justifying a variance have been met.*
- 5. Variances run with the land.*
- 6. The Appeal Authority may not grant a use variance.*
- 7. In granting a variance, the Appeal Authority may impose additional requirements on the applicant that will:*
 - a. Mitigate any harmful effects of the variance; or*
 - b. Serve the purpose of the standard or requirement that is waived or modified.*

F. INTERPRETATION OF LAND USE ORDINANCE.

Any person alleging there was an error in any order, requirement, decision, or determination made by the Land Use Authority in the administration or interpretation of the Land Use Ordinance may request an interpretation and decision from the Appeal Authority in accordance with this Subsection F.

- 1. The Appeal Authority will grant a waiver to the decisions of the Land Use Authority only as follows:*
 - a. If the decision or requirement by the Land Use Authority conflicts with the intent or literal interpretation of the Land Use Ordinances; or*
 - b. If the decision or requirement by the Land Use Authority conflicts with state or local laws.*
- 2. In some instances, the Appeal Authority may not fully understand the intent of an ordinance or requirement placed upon any person(s) by the Land Use Authority. Under these circumstances the Appeal Authority may obtain a decision from the City Council prior to making a final decision (if applicable).*
- 3. If the Appeal Authority requires an interpretation from the City Council, the Appeal Authority shall make a final decision within ten (10) days after that interpretation is given.*

G. DISTRICT COURT REVIEW OF APPEAL AUTHORITY DECISIONS.

Any person or entity adversely affected by any decision of the Appeal Authority may petition the District Court for a review of the decision.

- 1. In the petition for review, the petitioner may only allege that there was an error in any order, requirement, decision, or determination made by the Land Use Authority in the administration or interpretation of the Land Use Ordinance.*
- 2. The petition is barred unless it is filed within thirty (30) days after the Appeal Authority's decision becomes effective, which three (3) days after the written decision is issued by the Appeal Authority and mailed via first class mail to the applicant at the address designated in the application.*
- 3. The Appeal Authority shall transmit to the reviewing court the record of its proceedings including its minutes, findings, orders, and, if available, a true and correct transcript of its proceedings. If the proceeding was tape recorded, a transcript of that tape recording is a true and correct transcript for purposes of this subsection.*

4. *Review of the Appeal Authority's decision shall be done by the court in the manner and upon the standards provided by law.*
5. *The appellant has the burden of proving that the Appeal Authority erred.*
