ORDINANCE

1. Chapter 8 Revisions

8. 1 DEFINITION

A conditional use is a zoning exception which allows the property owner use of his land in a way not otherwise permitted within the particular zoning district.

8. 2 PERMITS REQUIRED

A Conditional Use Permit is designed to allow flexibility within the zoning laws. A zoning ordinance cannot account for every situation, and exceptions such as the conditional use permit gives the zoning authority discretion to allow uses otherwise prohibited in the specific district for the benefit of the neighborhood. A conditional use permit is commonly granted to add commercial, education or religious services to residential zones.

8.3 STANDARDS FOR CONDITIONAL USES

No Conditional Use may be approved unless the proposed use complies with the applicable provisions of this Ordinance, State and Federal law; and the following standards that apply to all conditional uses. Any detrimental impacts or effects from the proposed use on any of the following shall not exceed those that could reasonably be expected to arise from a use that is permitted in the district:

8.3.1. The health, safety, and welfare of the Town and its present and future inhabitants and businesses.

8.3.2. The proposed use of the particular location is necessary or desirable to provide a service or facility which will contribute to the general well-being of the neighborhood and the community.

8.3.3. The morals, peace and good order, comfort, convenience and aesthetics of the Town and its present and future inhabitants and businesses.

8.3.4. Will not exceed the obligations and/or financial capability of the Town of Virgin nor require a level of community facilities and services greater than that which is available.

8.3.5. Will protect environmental values by not causing air, water, light or noise pollution.

8.3.6. Consistent with the Town of Virgin's General Plan by complying with the minimum requirements of the Zone and will be compatible with the character of the neighborhood and surrounding structures.

8.4 ADDITIONAL CONDITIONS

The Town Council shall impose such requirements and conditions as are required by law and any additional conditions as may be necessary to ensure compliance with the requirements, standards or conditions of this Chapter. The violation of any condition, safeguard or commitment of record by the applicant shall be sufficient ground for revocation of the Conditional Use approval.

8.4.1 CONDITIONS TO RUN WITH THE LAND

Conditions imposed by the Town Council run with the permit and shall be binding on the applicant as well as their successors.

8.5 STANDARDS TO BE UPHELD.

The Town shall not issue a land use approval unless the land use authority concludes in its authorized discretion that the application, along with any imposed conditions, is likely to mitigate all identified and reasonably anticipated adverse impacts associated with the use, and is likely to comply with the following general standards for all land use, as well as any other specific standards in this zoning ordinance.

8.5.1. LEGAL COMPLIANCE.

The Town of Virgin intends for all federal, state and local laws and regulations to be followed.

8.5.2 RURAL AND UNIQUE.
