

Economic Development Committee
Highland City Hall ~ 5400 West Civic Center Dr.
July 17, 2012
8:00 am

1. Welcome
2. Approval of Meeting minutes for June 16, 2012
3. Determine specific areas in the City Center and beyond the City Center to be recommended to the City Council for Commercial Business
4. Certain areas outside the City Center, currently zoned commercial, might need to be considered for purchase by the City in order to have commercial considered priority by the City.
5. Economic Development Director: Some cities hire for this position, their job is to spend full time searching for businesses that can “fit” a “pro” business stance. This same person would work directly with the State Economic Development Director to receive names of potential businesses and to apply for economic develop funds to provide businesses for training of their new employees.
6. Update on what action was taken by the City administration to convey to the City the Committees motion on Sunday opening?
7. Additional items from the Committee.

Adjournment
