

Notice is hereby given that Centerville, North Salt Lake, West Bountiful, Woods Cross, and Davis County intend to update the existing impact fee facilities plan and impact fee analysis related to Fire and EMS Services, and to prepare an impact fee analyses, pursuant to the requirements of Utah Code Ann. 11-36a. The impact fee facilities plan and impact fee analysis are being considered for the South Davis Metro Fire Agency based on the interlocal agreement for each member entity to assess impact fees on behalf of the Agency. The impact fee service area for this analysis includes the municipal boundaries of Centerville, North Salt Lake, West Bountiful, Woods Cross, and portions of unincorporated Davis County. You are hereby invited to provide information for the entities to consider in the process of preparing, adopting and implementing or amending the referenced impact fee analyses.
