B. Update on the Recreation Grant – Tom Smart

Before Councilor Smart gave an update on the Recreation Grant he informed the Council that the City had received \$22,800.00 from the UDOT Grant. This money will be used for the trail along New Lane.

46 Councilor Smart handed out a spreadsheet of the trails project ledger (see attachment #B). He  
47 explained that the South Summit Trails are all finished with their portion of the grant. Oakley will be  
48 reimbursed \$32,566.63 on the first draw.

49  
50 C. Update on the Water and Sewer – Chad Kramer

51  
52 Chad stated they were almost done putting the new meters in. Some of the accounts have  
53 mailing address instead of service address so we are trying to get that corrected. They are almost done in  
54 Maple Ridge. All the setters that were bad have been repaired. The guys installing the meters are here  
55 for one more day. Deb has really helped him by showing where the meters are that he hasn't been able  
56 to find. Some of the meters are buried so deep they can't get to them. It is mostly landscaping that is  
57 the problem.

58 Councilor Hoggan asked if we were ready for the lighting ceremony. It will be on Monday  
59 December 3<sup>rd</sup> at 5:30.
