City Council
Agenda Item

SUBJECT: Review Action on Adopting a Public Safety Contract with American Fork Public Safety Services

APPLICANT PRESENTATION: N/A

STAFF PRESENTATION: Chandler Goodwin, City Manager

BACKGROUND AND FINDINGS:
Cedar Hills City Council awarded the bid for public safety services for both police and fire/EMS to American Fork. This change of service is scheduled to take effect July 1, 2019; as of that date, Cedar Hills will no longer be a member of the Lone Peak Public Safety District. American Fork is planning on using the Cedar Hills fire station until their planned station can be built. The new AFFD station will be located on North County Blvd and Harvey Blvd. The Cedar Hills attorney and the American Fork attorney have both reviewed the proposed agreement.

PREVIOUS LEGISLATIVE ACTION:
Public safety bid was awarded to American Fork for both police and fire services on 9/18/2018

FISCAL IMPACT:
See proposed agreement

SUPPORTING DOCUMENTS:
Proposed Public Safety Services Agreement between American Fork and Cedar Hills

RECOMMENDATION:
Review the proposed Public Safety Services Agreement and make any necessary changes for adoption.

MOTION:
To adopt/not adopt the Public Safety Services Agreement between American Fork and Cedar Hills, subject to negotiating the following modifications to the agreement {LIST ANY CHANGES NECESSARY FOR ADOPTION OF THE AGREEMENT}.

**BACKGROUND AND FINDINGS:**  
The baseball diamond was removed from the initial phase of Harvey Park due to resident concerns about safety. Staff has since reviewed the proposed layout of the baseball diamond, and proposed fencing, and is recommending including the baseball diamond as part of the Phase 1 development in Harvey Park. Staff has received bids for foul ball fencing along the third and first base lines that will serve to mitigate many of the foul balls being hit outside the field area, thereby giving additional protection to cars parked in the parking lot and children playing on adjacent fields.

**PREVIOUS LEGISLATIVE ACTION:**  
Keller Construction was awarded the bid for Harvey Park Phase 1 on December 18, 2018, and the baseball diamond was removed as part of that motion.

**FISCAL IMPACT:**  
The backstop fencing was not included in the original bid, and would cost approximately $20,000 for backstop and 60’ of fencing along first and third base lines.

**SUPPORTING DOCUMENTS:**  
Harvey Park Layout

**RECOMMENDATION:**  
Review the proposal and direct staff to include the baseball diamond as part of phase 1

**MOTION:**  
To approve/not approve the inclusion of the baseball diamond as part of Harvey Park Phase 1 development, subject to the following conditions [LIST ANY NECESSARY CONDITIONS].

| SUBJECT: | Discussion on Utility Billing for Suspended Services |
| APPLICANT PRESENTATION: | N/A |
| STAFF PRESENTATION: | Chandler Goodwin, City Manager |

**BACKGROUND AND FINDINGS:**
Staff has been asked to research our utility billing practices as it relates to suspended services. Suspended services occur when the occupant leaves for an extended period of time, usually at least a few months, and requires their water meter to be turned off and other services suspended. During that time, it has been the practice of Cedar Hills to continue to bill for base rate services. The rationale behind this billing practice is that although the dwelling is not being occupied, and certain services may be suspended, the City is still required to meet our obligations in maintaining the system and paying any required debt services associated with the system. For example, the fire/paramedic charge continues to be billed throughout an absence, even though an occupant is not living in the residence. In the event of a fire, the service will still be provided. For other services, the City has a debt service obligations and debt covenants that must be met in order for bond ratings to be maintained. The budget is based on each utility connection paying a certain allotment throughout the year; the budget is set up to meet these debt obligations and covenants. Staff would like direction from the City Council on if any of these policies need to be updated or changed.
