

**BAXBO SITE PLAN
40 WEST 300 NORTH
PLANNING COMMISSION MEETING
FEBRUARY 14, 2019**

UTILITIES- Existing

PARKING- Existing around building.

FENCING- Existing

LANDSCAPPING- Existing

LIGHTING- Existing

FIRE OFFICIAL REQUIRMENTS- They will need to meet with the fire officials but with what they are doing it should not be a problem.

STORMWATER- Existing

GARBAGE- Existing

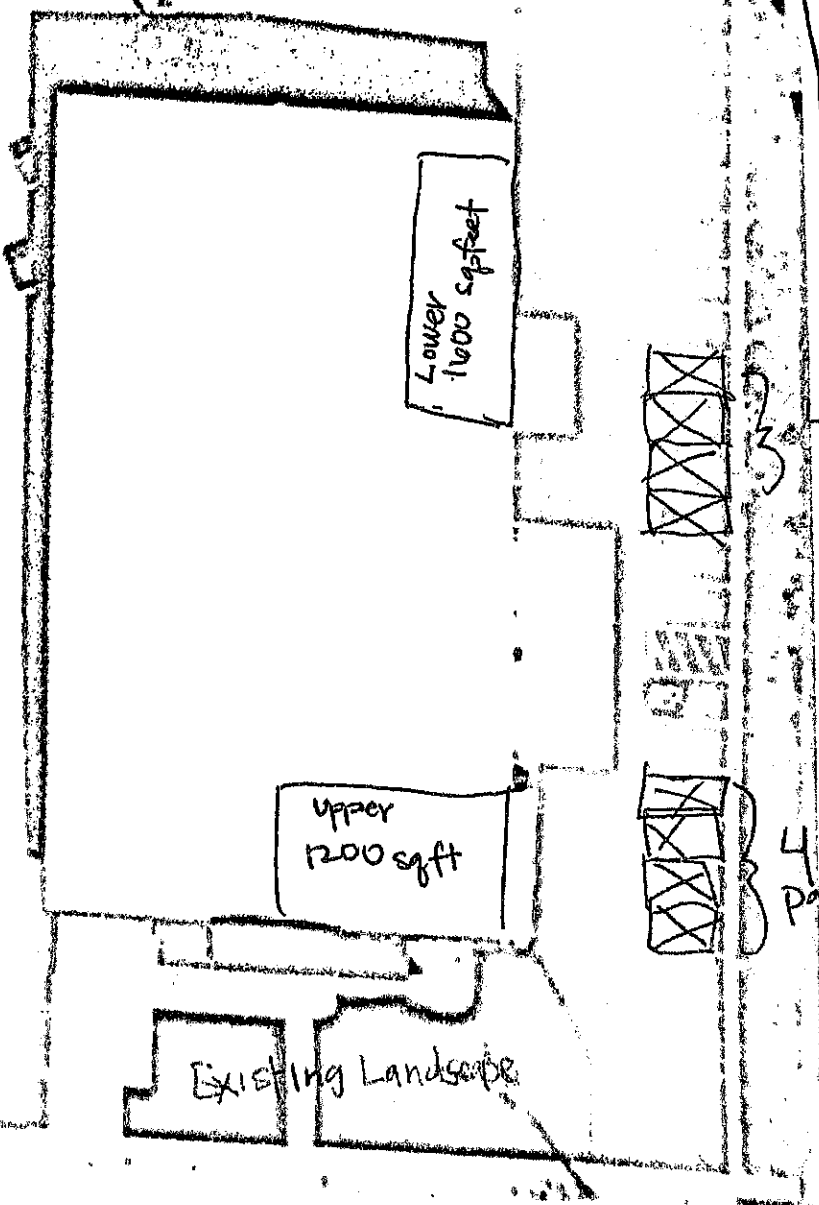

SIGN-

NOTES- They are running this business out of the existing Sunray Properties building on 300 North. They are leasing a small portion of this building. They ship and receive clothing and snacks. They got ahead of themselves and have been doing business for some time already from this location. Other than having the fire department inspection they should be good with everything else were this is a fairly new existing building.
