SERVICE INDUSTRY EXPERIENCE

2006-2016 The Lone Palm Bar, San Francisco,

Bartender and bar manager in a classic neighborhood cocktail bar. My managing duties involved banking and accounting, inventory and stocking, ordering and receiving deliveries. Bartending alone in a fast-paced bar like this required multitasking and making great drinks in a hurry, while keeping the energy and conversation going.

Owner- Jane Seabrook 415-648-0109

2002-2016 Randy's Place, San Francisco,

Bartender in an old-school dive. This is the kind of place where people skills are crucial! I learned to deal with a diverse and sometimes difficult crowd.

Owner- Sue Castle 415-584-7021

2005-2011 Place Pigalle, San Francisco,

Bartender in a very busy beer and wine bar. This bar was a much loved neighborhood institution with 20 beers on tap. I helped create a cool, yet friendly environment with the right music and banter, all while hustling those pints!

Owner- Greg Noto 415-505-6876

1988-1997 The Sausage Factory, San Francisco,

Restaurant hostess at a classic Italian restaurant dealing with seating, waitlist, and cashier duties.

Owner- Tony Azzolino 415-626-1250
