Time was turned to Councilman Greg Pearson to report on the roads. He stated that there are a few pot holes in town that need to be patched. The Mayor stated that with the flooding there is not a bar ditch in front of the EMS building. The county will haul in some road base and grade it and will make a bar ditch. The Town will get with them and buy them some lunch for all the work they do for us. When we had the little flooding the volunteers that showed up to bag sand was great. Paul did a great job will keeping things flowing. Paul did purchase a sprayer for the truck from Steve Regan. The total cost was around \$3700 and this way it is closer to get parts and he also purchased some spray that was on sale.

Councilman Greg Pearson then reported on the Fire house. He stated that they had a Wildland refresher and they had good attendance. They are wanting to try to get a guy as engine boss and this will make the truck a little more money. They will need to attend some classes in the spring. The rooms and meals may be paid for but was wanting to kick in some money for time taken away from job.

The overdue water bills were discussed. The clerk will send letters to those on the list. The spring is running at 46 gallons per minute and there is plenty of water.

Nothing to report on park or the Veteran's Memorial at this time.

The Easter Egg Hunt will be on Saturday April 20th at 10:00 a.m. The clerk contacted Kingston about donating again this year.

Mayor Dalton will check and see if we have the ATV run meals for the father's day weekend.

Mayor Dalton then reported that at his Six County meeting they stated that there is a lot of services available and Piute residents are not taking advantage of them. He stated that we let Community members know and give them a number to see if anything is available to them.

The single wide trailer in the flat was discussed. The trailer was being lived in and it is not supposed to. They were informed that it had to be done right, inspected, health permit, and all that. Sheriff Marty Gleave was contacted to talk to them and the owner was also contacted and reminded him that it was against ordinances and permit that he received.

The dog ordinance has no new information. Mayor Rickey C. Dalton is still waiting on a phone call from David Church.

The open/close meeting training was done to all those in attendance. The Clerk will email it to Councilman Sherm Buck to watch.

The clerk will post the sprinkler share bid and have them in before the next board meeting in April.

Maintenance Paul Garvey stated that there was a section of fence that needed to be stretched at the airport and he will leave the wind sock for now.

The financial records and bank statements for the month of February were available for review.

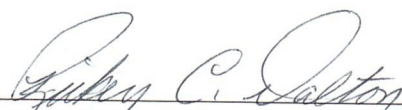

ORDER: Claims were available for the March payroll and accounts payable which goes from Check # 10525 to Check #10554.

Meeting was adjourned at 7:06 P.M. by Mayor Rickey C. Dalton.

MOTION: Made by Councilman Greg Pearson to adjourn.
