	Tote Gallon				\$11.35

*Branley Distributing will provide and oversee any desired oil analysis program, utilizing the Horizon / Polaris laboratory in SL C. Will also provide any necessary training, consulting, and interpretation application of oil analysis reports. Training and consulting is free of charge, and will occur on an "as needed" basis, in conjunction with monthly visits.

* Schaeffer - An additional 3% discount on all products if ACH is used. 3 oil analysis kits come free with each drum, 15 with each tote are free.

Other oil analysis kits can be purchased @ \$12.00. Oil analysis training and support are free.

* CarQuest is not Full Synthetic Oil.

Lowest
Second apparent low
Price not provided
Not requested

Recommend: JC Hunt/ Reladyne Contingent on oil performance or service

Alternate: Branley Distributing

Reason: Overall low bid for full synthetic
Reason: Second apparent low for full synthetic and quantities
