Primary Issue:

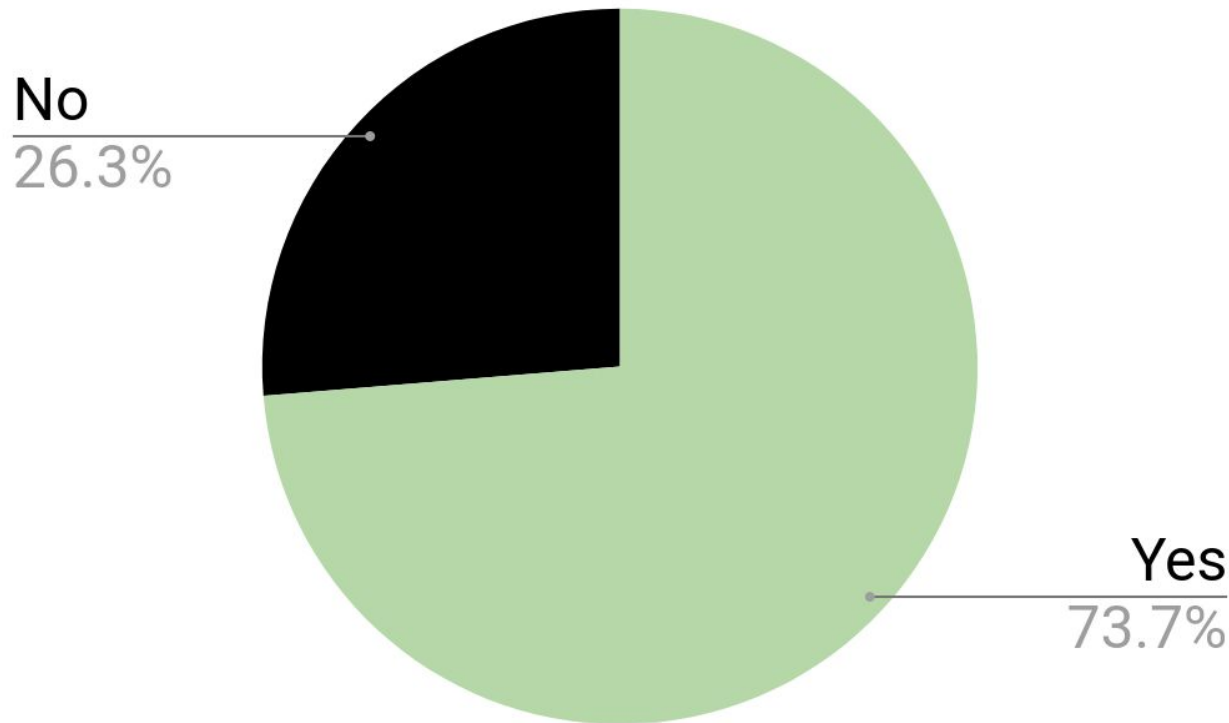

The Clearfield City government finds a strong relationship with youth, (0-12) and the older demographics (20+); however, their connection with teenagers falter.

The Solution:

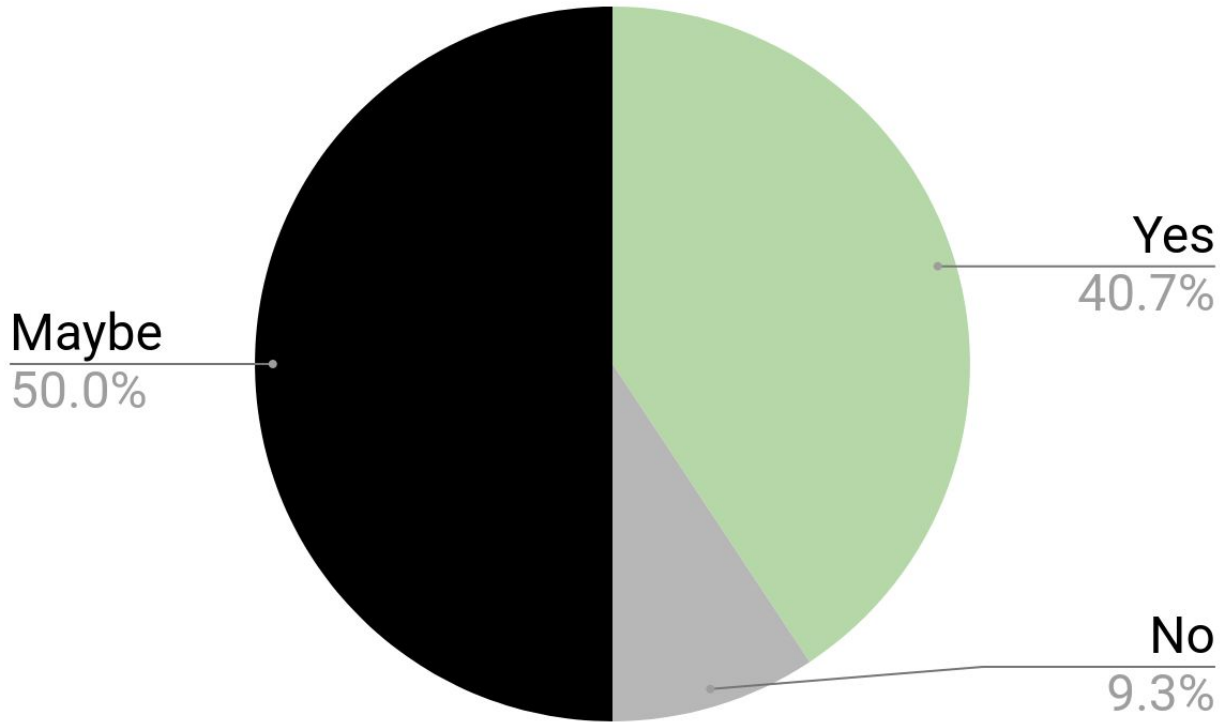

The Clearfield Youth Commission believes that we can help remedy this issue by:

- More Teen Directed City Events
- Creating Opportunities for Teens
- Giving The City's Youth a Voice
- Training Leaders

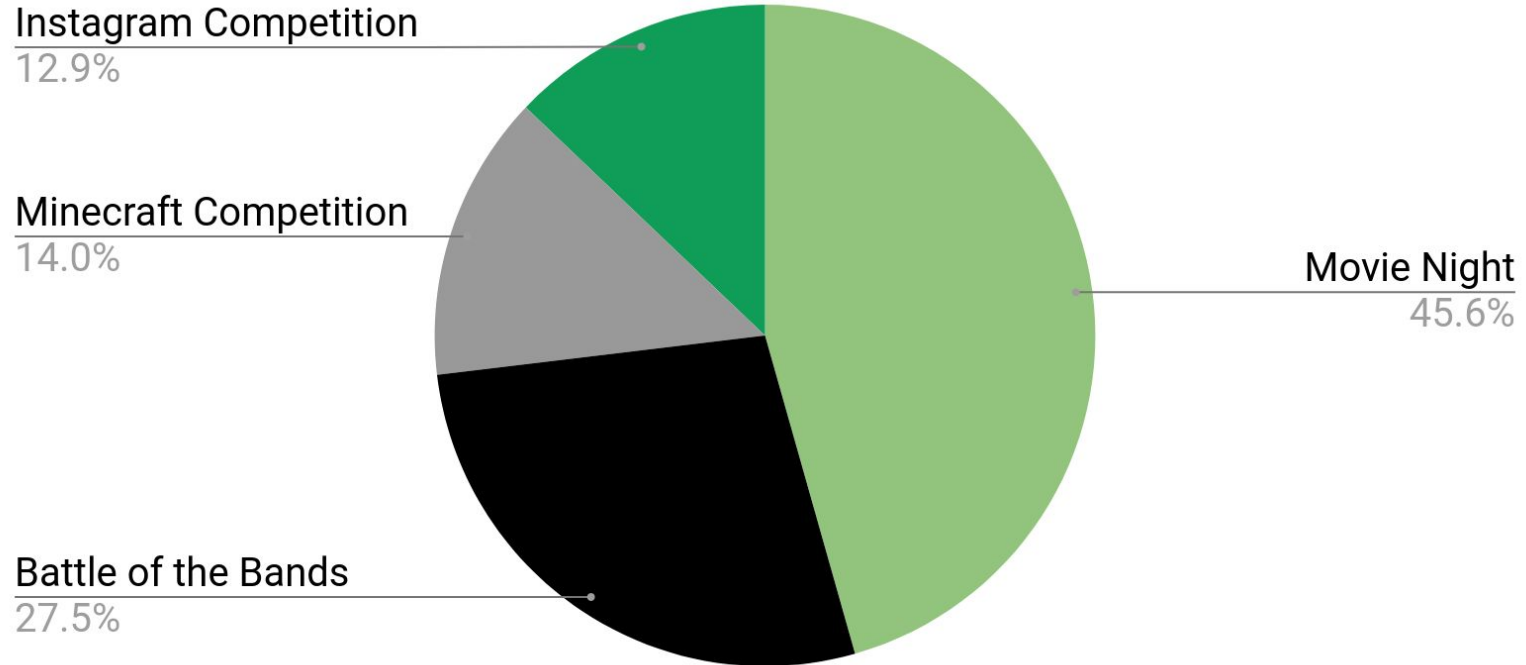

“Would you go to a Clearfield City event that helped prepare you for jobs or college? (applications, resume, etc)?”

“Are you interested in doing service Projects?”

“Which Summer Activity Would You Be Most Interested In?”

With your help, we can strengthen our community together. The Youth Commission is creating more events and opportunities for teens to serve, learn, and grow. We need your support.
