The regular meeting of the Fountain Green City Council was held on Thursday, March 21, 2019 at 7:00 p.m. in the Fountain Green City Hall, 260 W 100 N, Fountain Green, Utah.

Attendance: Shelith Jacobson, Dean Peckham and Larry Woodcox. Excusing Jerime Ivory and Rod Hansen.

Presiding: Mayor Willard Wood

Prayer: Dean Peckham

Pledge

Oath of Office. Michelle Walker, City Recorder, administered the Oath of Office to newly appointed City Council member, Shelith Jacobson.

Minutes. Larry Woodcox made the motion to accept the minutes with the amended change.
Seconded by Shelith Jacobson, all in favor.

Dog Catcher. After much discussion, Mayor Wood proposed that Chad take care of all dog problems. However, Chad could take any dog (that needed to be quarantined) to Amy's facilities. The Mayor asked Chad to make sure her facilities were satisfactory. Amy would be considered under the umbrella of the City's insurance.

Children's Justice Center. Discussed, but not on agenda. Mayor Wood noted that the City received a letter from the Center thanking the City for previous donations and asked if they would donate again this year. The City has donated \$100 in the past. The Council agreed to make the \$100 donation and put it on next month's agenda to ratify the vote.

Combination Building Report. The Mayor stated that the CIB meeting (to request funding for the public safety building) is going to be on Thursday, April 4th at 8:00 a.m. in Salt Lake. There is a work meeting scheduled for Thursday, March 28th at 7:00 p.m. Michelle to invite Kendrick.

Irrigation Report. Tabled

Planning Commission Report. Councilman Larry Woodcox reported that the Planning Commission would like to use the City's Floodplain Development Permit and Application for building in special floodplain areas since it's more favorable to the citizens than FEMA's application.

Joseph Papenfuss pointed out a discrepancy in the 2012 Resolution regarding flood hazards, land use and control measures adopted by the City. It states that the Mayor, designate agency or official has the responsibility and authority to implement the provisions of the criteria set forth in Section 60 of the Flood Damage Prevention Ordinance. There is nothing written in the Resolution that allows the Planning Commission to manage building in special floodplain areas.

Dean Peckham made the motion to designate Larry Woodcox (Council Member assigned to the Planning Commission) as the Floodplain Administrator and to also designate the Board of Adjustments to serve as the Appeal Authority.

Joseph also questions as to whether the City's Board of Adjustments/Appeal Authority can override FEMA's decision on a Floodplain Development Permit and Application.

Michelle will invite Kathy Holder down to train the Planning Commission, Mayor, and Council on FEMA.

City Report. Roger reported that Cecil Clawson will be here tomorrow to install the church parking lot sump as discussed in earlier council meetings.

Police Report. 10 Events: Animal complaints, suicidal person, tickets and warnings. Officer Huff passed the BCI audit. He explained that he had hit a deer with the police truck while responding to a call. The truck was currently getting fixed at Precision Collision. Officer Huff also reported on the vandalism to the restroom. The estimate for repairs was \$250. The Judge will advise regarding restitution.

City Bills. Larry Woodcox made the motion to pay the city bills. Seconded by Dean Peckham, all in favor.

Miscellaneous.

Wages. Michelle handed out current wage figures from other cities.

Councilman Peckham asked the Mayor and City Council if there would be a possibility that the stock water line that Peter Jacobson owns, which they already have and is grandfathered in, could be extended to their property to the West of town. Everyone felt that it would be okay.

Jaren Peckham's eagle project is ready. Jaren has changed the type of trees he is planting at the cemetery to pine trees.

Xpress bill pay will be scheduled for a future council meeting.

Dean Peckham made the motion to adjourn. Seconded by Larry Woodcox, all in favor.

Meetings adjourns at 8:45 p.m.

Michelle Walker, City Recorder
