

Council Meeting of May 8, 2019

Agenda Item No. 6i

REQUEST FOR COUNCIL ACTION

SUBJECT: Authorizing certain unclaimed items from Police Evidence be put to a public interest use, sold and the proceeds put to a public interest use, or destroyed.

SUMMARY: In the course of regular business, the Police Department takes custody of property that may be needed as evidence. When any such property is no longer needed for evidence, reasonable attempts are made to return it to the owner. If property that is no longer needed as evidence is unclaimed after proper notice and reasonable attempts to contact the owner or cannot otherwise be returned, state law authorizes the City Council to put the property to a public interest use, sell the property and put the proceeds to a public interest use, or destroy the property. Such approval is being sought for the items on the attached list.

(see additional information included on subsequent pages)

FISCAL AND/OR

ASSETT IMPACT: The property no longer needed as evidence or proceeds from its sale will be put to a public interest use in support of law enforcement or the General Fund.

STAFF RECOMMENDATION:

Staff recommends the Council approve the resolution authorizing the disposition of property in the possession of the Police Department that is no longer needed as evidence.

MOTION RECOMMENDED:

"I move to approve Resolution No. 1991, a resolution authorizing the Police Chief and City Manager to put unclaimed property no longer needed as evidence to a public interest use."

BACKGROUND DISCUSSION:

The Police Department currently has property in its possession that was originally held as evidence of possible criminal activity, but is no longer needed as evidence. The Police Department has created an itemized list of all such property that is included in the Agenda packet for your review (“Items of Police Evidence”).

When property in an agency’s possession is no longer needed as evidence, the agency has a legal obligation to “exercise due diligence in attempting to notify the rightful owner of the property to advise the owner that the property is to be returned.” Utah Code § 24-3-103(2). The City has made diligent efforts to notify the owners or potential owners of the Items of Police Evidence that it is available to be returned, including all required notification and timing procedures (see attached). Despite those efforts, the Items of Police Property were not collected by any owner.

When property that is no longer needed as evidence is unclaimed despite proper efforts to locate the rightful owner, the agency, with the permission of its legislative body, may “(i) apply the property to a public interest use; (ii) sell the property at a public auction and apply the proceeds of the sale to a public interest use; or (iii) destroy the property if the property is unfit for a public interest use or for sale.” Utah Code § 24-3-103(6). If the item of unneeded evidence is a firearm, there are additional requirements regarding who the agency may sell the firearm to. *See* Utah Code § 24-3-103.5. A “public interest use” means “(a) use by a government agency as determined by the legislative body of the agency’s jurisdiction; or (b) donation of the property to a nonprofit charity registered with the state.” Utah Code § 24-1-102(21).

The attached resolution is requesting the City Council: (i) authorize the Police Chief in consultation with the City Manager to: (i) put the Items of Police Evidence or the proceeds from their sale to public interest uses in furtherance of West Jordan law enforcement or the general fund as they deem appropriate; and (ii) destroy any property that is unfit for a public interest use or for sale as they deem appropriate.

WHEREAS, despite the City's efforts the property no longer needed as evidence remains unclaimed,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WEST JORDAN, UTAH, THAT:
