

The Town Council of Snowville Town held its regular monthly meeting at the Snowville Town Hall on **Wednesday April 10, 2019.**

Council Present

Tim Heyder, Mayor
Keith Thompson, Council Member
Scott O'Hare, Council Member
Michael Morgan, Council Member
Operator
John Levenduski, Council Member
Tammie Morgan, Clerk/Recorder
Stacey Hill, Treasurer

Others Present

Eric Dursteler, Engineer
Alan Terry, Water Operator
AJ Morgan, Assistant Water

Excused

Mayor Heyder called the meeting to order at 7:00 p.m. He welcomed the council and all others present. John Levenduski led us in the pledge of allegiance and Tammie Morgan offered the opening prayer.

Mayor Heyder called for a motion to accept the agenda.

Mike Morgan made a motion to accept the agenda. Keith Thompson 2nd. All council members present voted yes.

Keith Thompson made a motion to accept the minutes from the previous meeting. John Levenduski 2nd. All council members present voted yes.

Deputy Palmer

Not in attendance

CDBG Funds Tammie

Tammie stated that the town has been awarded the full grant that they put in for. The total is \$199,350. Tammie is attending a mandatory meeting on April 23rd in Salt Lake City from 8:30am-3:30pm. We will hold the 2nd public hearing for this grant in May before council.

Eric Dursteler, Engineer

Eric presented the council with a booklet explaining the drainage project for that will be funded by the CDBG Grant. It will be attached at the end of the minutes.

He also presented the council with some information on the funding they are working for the well that needs to be treated. He presented Mayor Heyder with a contract for him to review. He stated the full project could take up to 3-4years. It will include a new back up generator and treatment of the new well. See the attached document at the end of the minutes.

Water Department

The water department still needs to replace the new meters and Mayor Heyder stated we need to get the meter installed on cemetery road soon.

Easter Activities

Easter is April 21st. Scott O'Hare has planned the activities for Saturday April 20th at 10 a.m. Scott has purchased the candy. He just needs to purchase the cakes and he would like to purchase some totes to store the Easter stuff in after. He would like help on Thursday at 6:00 pm to stuff the eggs. He will also need help hiding the eggs on Saturday morning around 8:00 am. He is planning for 200 people. Scott stated he will need money to pick up the prizes for the egg hunt. Tammie will get him a check for \$500 and he can keep the receipts and turn them in or the extra money that he doesn't spend.

Streets & Roads

Mike said we need to get 5-inch poles to hang the new signs on. Mike will get with Keith Oman to see if the state road could help us with it. He will also get with Bill Gilson from the county to help us with the road repairs.

Cemetery

The pump has been pulled and replaced. They just ended up replacing the pump and not the pipe down the hole. It was around \$5000.00 to replace.

Park & Cemetery

The jobs have been posted for the cemetery and park maintenance and will be decided on April 30th. Keith suggested just watering at night at the cemetery. He stated he will also go over and get the bowery un-winterized for the Easter celebration and to rent out for the summer.

Fire & EMS

Mayor Heyder stated the big fire truck would not start. The charger has gone out in it on the structure truck. Mayor has called someone to come and fix it. We have also been asked by the county to get the drivers licenses for all the fire department personnel. So far, no one has turned that in to Tammie. Mayor stated if no one does we might need to look at not renewing the contract with the county because we won't have the man power to run the county trucks so there is no need to house them for the county. We will look at this again next month.

Landfill

Tammie asked how many dumpsters we need to order for the free dump day next month and is she supposed to order them. No decision was made on the number of dumpsters. The dump day is the same day that we do the dog licensing. So, we will need to divide up and help make it all possible. It will be on May 18th. Mayor Heyder asked if there are replacement parts for the garbage cans and Keith stated the parts are in the fire department.

Old and Other New Business

Junk Ordinance

Mayor Heyder stated that he had Tammie send out some letters to people including the ordinance to get their property cleaned up. Mayor will follow up on those letters with the lawyer.

Ordinances

Mayor Heyder asked the council to continue reviewing the ordinances so we can get through them and get them passed.

Finish the corner project

Mayor stated we need to finish up the corner of town project. We need ideas to finish it.

4th of July

Mayor stated we need to start thinking about the 4th of July. He asked Keith to do the entertainment again. And stated he and Tammie and Stacey will do the food. Scott O'Hare indicated he would be over the bounce houses and getting them arranged. We will continue to plan for this in the upcoming months.

Citizen Concerns

Gerald Knight came to the council asking to get his water turned on? He has recently purchased the property and would like the water turned on. He stated the water operator was disrespectful to him when he showed up to turn the water off. Gerald said he is no problem paying the bill and has never been late when he previously rented the property but he does not feel like he is responsible for the past bill because he did not own the property and was not aware that it was delinquent because the bills were being sent to the previous property owner. He stated he is not here to cause problems and he feels like he takes care of his property.

Mayor stated he will have to come up with the first three-month deposit and the water turn on fee for \$50. Gerald stated he was prepared to pay the \$50 turn on fee but was unaware of the three-month deposit and is on a fixed income with disability for the time being so there is no way he could pay the deposit.

After much discussion Scott O'Hare asked if Gerald could step out for a minute while the council discussed different things they could possibly do.

After the council discussed the different options, they asked Gerald to come back in. When Gerald came back in, he stated to save a lot of time, everything will be taken care of Monday. Is that acceptable to everyone. Scott O'Hare stated so you will have everything on Monday and he stated yes. Gerald thanked everyone for listening to him and asked if he was in violation with the front of his house. They council stated no. Mayor Heyder proceeded to tell him a policy is a policy we have to keep and Gerald stated you don't have to say anymore it will be taken care of on Monday. He asked to be dismissed.

Mike Morgan stated that will be great if he can take care of that on Monday. Mayor Heyder told Tammie and Stacey if he doesn't come in, let him know and he will take care of it.

Acceptance of Expenses

Keith Thompson made a motion to accept the expenses. Scott O'Hare 2nd. All council members present voted yes.

Adjourn

John Levenduski made a motion to adjourn. Scott O'Hare 2nd. All council members present voted yes.

The meeting adjourned 8:35 pm

Tammie Morgan, Clerk/Recorder
