

Garland Library Board Meeting Minutes
9 May 2019
7:00 P.M.

The meeting was called to order by Michelle Stay at 7:00 p.m. Members present were Michelle Stay, Patti Field, Shanna Sexton, Jessica Olsen, and Stephanie Mathews.

Library Business

Tate Atkin was absent, and Stephanie reported the activities of the library over the last month. The Summer Reading Program will kick-off on May 22nd from 4-7 p.m. It will begin with story time and then patrons will be able to participate in games and crafts in the library as well as on the front lawn of the library. Some of the activities have been planned and others are in the works. Board members were asked to help staff the event.

The library is planning on providing activities for the teens twice a month. Times will be established during the summer.

The online book club will be reading nonfiction book on space to correlate with the summer reading program. The number of people participating on Facebook have decreased but people are continuing to read the books. They just are not commenting on the read.

Story time is doing well on Monday and Wednesday. Daniele always has a story, craft and treat for the children.

Board Business

The Fun Run during Wheat and Beet Days has been turned over to the library. It is not clear if the library is responsible to run the race or if it only oversees the event. Michelle will clarify that fact with Tate. If the library is simply overseeing the event, there will be no changes to the activity. However, next year the library will run the event and intends on making changes to the format. The route for the run was discussed, the fees, and how to track time for the runners.

The Wheat and Beet breakfast was discussed. Shanna has taken care of the advertising and the signs will be placed out on or about June 15th; therefore, giving plenty of notice to the community of the event.

Michelle made assignments for approaching business about contributions for the breakfast. Everyone has been asked to complete their assignment by the next board meeting. Bishops of The Church of Jesus Christ of Latter-day Saints wards in the area will be asked if volunteers can be requested in Relief Society meetings and to set up and take down tables and chairs for the breakfast.

A new secretary was selected for the board as Patti Field will be unavailable on Thursday evenings. Shanna nominated Jessica Olson for the position. Michelle seconded the motion and a vote was taken. It was unanimous. Patti will take the secretary book to Jessica and instruct her on the procedure.

Public Comments

None

Next meeting will be June 6, 2019, at the library.

Adjourn

Shanna moved that the meeting be adjourned. Patti seconded the motion. The meeting was adjourned at 7:58 p.m.
