
May 2019 Event Assessment

4 H Practice

4 H practice nights have been a part of our summer activities for many years. Most every Tuesday night our arena is filled with youth from around our valley receiving instruction on how to be a better Horseman. We appreciate the many great instructors that spend time with the youth that desire to learn more about this great program. It is a pleaser to be a part of the 4H program

Wasatch High School Chapter Rodeo

The format for the rodeo changed from a 1 day rodeo to a two day performance Rodeo. This has decreased the number of stalls and contestants. We sold 140 stalls for an income of \$6,716.59 down from last years \$11,000.00 people were able to travel home instead of staying overnight. Our restaurants were impacted greatly because people had time to wander uptown to shop they had more leisure time to spend in our community.

Heber Horse Sale

This event just keeps growing, this is our 7th year and by far the best. One hundred and twenty horses were sold at this auction with the average price of \$8,000.00. The highest price payed was over \$40,000.00. This has turned into one of the top sales in the country.

Utah Jr. High Rodeo Finals

This event has been growing by leaps for the past 4 years. We sold 223 stalls for the total income of \$15,891.52 camping 124 sites income of \$2,796.14. We did take this event to a three day event this year and it looks like the growth pattern will continue. The weather was one of the wettest on record but the kids had a ball and the arenas held up great. Our arena footing stayed safe. We have a great facility.

Memorial Day Celebration

An estimated 500 People came to enjoy and support our Veterans with us. We had a magnificent program Thank you to the Event Center and Parks & Rec Staff for their hard work in putting this together. We did serve breakfast this year, I think people enjoyed it.

Wasatch High School Graduation

Graduation was a success again this year. This is the second year that we have issued tickets and it seems to work very well. The school is allotted 4500 tickets to disburse to the student's friends and family. This cuts down on the crowding and people that don't really need to be there. We also worked close with the Sheriff and City Police incident teams to have a plan. They have been a great asset and comfort to the Park and rec department.

Soccer

768 Participants

Spring soccer season is April 13th- May 7th. Soccer has grown by 75 kids from spring 2018 season. We have 100 total teams playing. All games are played at south field park. Refs are used from 3rd grade up to co-ed league. Most of our refs are middle school and high school kids. The WHS boys soccer coaching staff and players offer 3 clinics for us; a coaches clinic and 2 players clinics.

Memorial Day Program

400 Plus People

Every year the Parks and Rec. Department puts on a Memorial Day Program for all to attend. We offer a free breakfast before and have a great turn out. This takes the whole department to put on a great production. From finding speakers to advertising and everything in between. If you haven't attended this program I would definitely put it on your calendar for next year!

Cooking Classes

26 Participants

The kinder cooks offers healthy hands cooking classes and camps that teaches kids and families about basic cooking, knife skills, and healthy cooking skills. We provide comprehensive, hands on cooking and personalized instruction. Participants will learn kitchen safety, proper sanitation and basic knife skills while being fully immersed in the cooking process.

Track Club

128 Participants

Track Club will be starting April 25th - June 4th on Tuesdays and Thursdays at the High School Track.

The object of Track Club is to expose as many kids as possible to the sport. Track is a great sport and it also teaches the basic movements and coordination for many other sports, as well as great fitness. Coach Amylee Nicoll and her other coaches help the kids at practices with all aspects of Track. Teaching them form and stretches to help them better themselves in each event. We will attend 3 Track Meets this year, where the kids compete against other programs in our state. At the end of the season we attend a final meet where kids will compete to earn a medal in different events.

This program keeps on growing every year and the kids have a lot of fun! I will help Amy with any equipment she needs or finding some coaches to help her out. I also coordinate with the High School so we can use their track. We are very thankful for them and the support they give this program! Coach Foster the High School Track Coach also helps us with volunteer coaches and he also assists in whatever way he can. This program is very successful because of everyone involved.

We will wrap up the season on Saturday with a Final Meet and have a treat day next Tuesday to finish out. We are sad to be losing our head coach this year. She has put in a lot of time over the last few years and we are sad to see her go.

Men's Softball

195 Participants

Men's Softball has had another great turn out this year! The season begins April 29th and will finish with a tournament in July. We will be playing at Vets Park and be using 3 fields on Monday Nights. This year we only had one league. We will do a split at the tournament and divide the teams based on records. This will give more teams an equal chance to win a tournament.

I make sure our grounds crew has all the information to prep the fields and that the fields are prepped. As well as coordinating with Umpires and having game balls for them. I will turn on the lights as the night goes on and off when we are finished. I stay at the park all night until games are over. Answering any questions and taking care of any issues that come up.

Coed Softball

117 Participants

Coed Softball is played at Southfield Park. This year we are using two fields, Lloyd and Widd. Game times are 6:30, 7:30, 8:30, & 9:30pm on Wednesday nights with most teams having double headers. The regular season will run the month of May and half of June with a double elimination tournament to follow. This is a fun league for spouses, Co Workers and friends to play in.

Girls Beginning Fast Pitch

31 Participants

Beginning fast pitch and fast pitch, has been struggling to get participation for a few years now. We have not been able to have a 6th-9th grade fast pitch league for a few years now due to low participation numbers. Beginning fast pitch has typically been able to have 3-4 teams each year. We will have 3 teams this year.

Ceramics

9 Participants

Ceramics painting classes are offered at least once a month. Kids have a variety of ceramic molds to choose from for the daily project. These classes fill quickly every time they are offered.
