

**Paradise Town Council**  
**June 12, 2019**  
**7:30 p.m.**

**Council Members Present-** Mayor Atwood, Vic Little, Larry Johnson, Alyssa Petersen (Recorder)

**Excused:** Martell Lowe, Shannon Rasmussen

**Community Members Present-** None

**Minutes-** The Minutes of May 15, and June 05, 2019 were emailed to the Council previous to the meeting. Mayor Atwood made an amendment to the Fire Department report. Larry made a motion to approve the Minutes of June 5, 2019 as amended; Vic seconded that motion, all in favor. Vic made a motion to approve the minutes of May 15, 2019; Larry seconded that motion, all in favor.

**Bills-** Larry read the bills. Larry made a motion to approve the bills as read; Vic seconded that motion, all in favor.

**Public Comment-** None at this time.

**Council Reports**

- **Roads - Martell Lowe** – Martell was excused from the meeting. Mayor Atwood discussed the easement cutting with the County. He asked if there was a possibility of them mowing two strips down the easements instead of one. They have an 8 foot mower, so that would cut 16 feet. They didn't think that would be a problem. They are planning on getting to Paradise within the next few weeks to work on the mowing. Vic asked how close we were to getting asphalt on the road at 8600 S. and if the road at 9300 S. will be done at the same time. There are two different companies doing the work on the different roads. The road at 9300 is a little behind the 8600 S. work. 8600 is getting very close to asphalt. There was discussion on the project that will be funded using COG funds. That project will be starting soon also. There was discussion on the need to bore under the road in order to get the water line ran down 8600. Mayor Atwood is working on those plans and permits now. Mayor Atwood reported that the few existing meters down 8600 that had to be hooked into the new line are working.
- **Water- Vic Little-** There have been a lot of complaints concerning irrigation water pressure. The irrigation company is working on the pump and will try to have it going tomorrow.
- **Community- Shannon Rasmussen-** Shannon was excused from the meeting, nothing at this time.
- **Fire/Grants/Budget- Larry Johnson-** Nothing at this time.

**Fire Department Report-** The Council reviewed the final breakdown for the Fire Department and for the First Responders. There was discussion on if the Fire Department is going to combine the Fire Department budget with the First Responder budget.

**Unfinished Business-**

Non-Compliant Property- There is a court date set for the non-compliant property at 365 W. 9100 S. There has not been a meeting between the Town and the attorney representing both parties yet as was originally planned. Mayor Atwood is going to talk to the prosecutor and find out if there is a meeting date or what the plan is next. A few of the other residents in Town received a citation. The Court agreed to work with the resident at 65 W. 9000 S. until the end of June after they plead guilty and paid a fine. The resident at 9290 S. Bridger Blvd was not in compliance as of yesterday, we wrote a letter to the Court yesterday explaining that he had made progress but was not totally in compliance. The judge didn't accept that letter yesterday. As of today, he did bring the property into compliance and we sent a letter to the court today explaining that he was in compliance.

Water Issues- There was some difficulty getting one of the existing meters replaced on 8600 S. The homeowner didn't have any water and the meter was showing water running through. The contractor was able to get it figured out.

**New Business –**

Questar Gas- Questar gas will be working up the canyon and will be burning some gas out of an existing line. There may be some flames, and it could be loud at times. We notified the Paradise Fire Department, Cache County Fire Department, Cache County Dispatch, and the Council members. They will have their own fire suppression on sight. They will be buying some water from Paradise Town to fill up their Fire Suppression Truck.

Movie in the Park- The movie in the park will be on Monday July 8, 2019. The Movie will start around 9:30 p.m. and they will be showing "Train your dragon 3"

DNA Kits- The Cache Sheriff's Department distributed kits to each of the municipalities for individual residents that would want to fingerprint and get DNA swabs of their children in case of an emergency. We have had a few residents pick up kits.

Declarations of Candidacy- Vic wondered where the Candidates that declared candidacy's names were posted.

**Meeting Adjourns –** Vic made a motion to adjourn; Larry seconded that motion, all in favor. Meeting adjourns at 9:24 p.m.

---

Alyssa Petersen, Clerk

---

Lee Atwood, Mayor
