Result: Approved

Ayes: Dorsch, Leonard, and Johansen

Nays: None

Animal Control Report

Animal Control officer Smith reported on one dog bite. The dog owner was cited, and the dog was quarantined. No other incidents.

Land Use Committee

Kerry Lake reported that the Committee approved an annexation of property into the City at their last meeting. The property owner will appear at City Council when the necessary plat maps are ready.

They made the suggested changes to the adopted General Plan, as well as a change in the Affordable Housing plan to comply with State law.

Fire Department Report

The Fire Department had an Open House on July 10. It was a lot of fun, and there were many people who attended. There were seven applications to be on the Fire Department. Chief Arrien is reviewing those applications. Doug Moreno has moved back to Castle Dale, and was one of the applicants. He is also an EMT and is in the Engine Boss Training.

On August 9th, the Youth members of the Fire Department will go on a trip to Lagoon.

City Report

The Sidewalk inspection is almost done. I am waiting for the street construction to be finished to do Main Street. It will be done by the next City Council meeting.

I am working on a Water Meter report. There are several meters that are not working and others that work, but are not transmitting, so they have to be ready manually.

The TAP Program has changed, and I will give a report on that at the next City Council.

Treasurer's and Recorder's Reports

Treasurer Collard reported on Sales Tax and Transportation Taxes.

Recorder White reported on renewed Business Licenses, and the preliminary Budget from 2019 Budget year. \$8,000 will go back in the General Fund

Code Enforcement Report

Jefferson Manning reported there have been a lot of water violations. He has also contacted a resident on the condition of his property. There is a lot of junk on the property, and Manning gave him a 60 day notice. The property is also a fire hazard. The resident asked if the City could help him clean up the property. Councilmember Leonard mentioned that there is a metal recycler that may help pick up the metal.

Nosh Arrien reported that a resident Kirk Murray complained about several cars being buried on 400 W.

Councilmember Johansen asked if the Beautification Policies applied to the Trailer Court. There is a lot of junk lying around in it.

Manning said he is aware of that.

Council Reports

Councilmember Leonard reported on the Youth City Council. It has been quiet for the summer, but there will be some younger kids coming in after school starts.

He attended an LEPC meeting where they learned about Natural Gas emergencies.

Councilmember Johansen attended an LEPC meeting last month on Wildfires. There are no controlled burns scheduled for this year. There is a plan to allow logging in some areas to clear out beetle-killed spruce.

Councilmember Johansen moved to adjourn. Councilmember Leonard seconded the motion.

Result: Approved

Ayes: Dorsch, Johansen, and Leonard.

Nays: None

Approved august 8, 2019
