

The Town Council of Snowville Town held its regular monthly meeting at the Snowville Town Hall on **Wednesday July 10, 2019.**

Council Present

Keith Thompson, Mayor Pro Tem
Scott O'Hare, Council Member
Michael Morgan, Council Member

Tammie Morgan, Clerk/Recorder

Others Present

Eric Dursteler, Engineer

Excused

Tim Heyder, Mayor
John Levenduski, Council Member
Stacey Hill, Treasurer

Mayor Pro Tem, Keith Thompson, called the meeting to order at 7:00 p.m. He welcomed the council and all others present. Scott O'Hare led us in the pledge of allegiance and Tammie Morgan offered the opening prayer.

Mayor Pro Tem, Keith Thompson, called for a motion to accept the agenda.

Mike Morgan made a motion to accept the agenda. Scott O'Hare 2nd. All council members present voted yes.

Scott O'Hare made a motion to accept the minutes from the previous meeting. Mike Morgan 2nd. All council members present voted yes.

Deputy Palmer

Not in attendance.

Eric Dursteler, Engineer

Eric gave the counsel members a copy of a map of Snowville with a map of the water system on it.

He also presented a map of the stormwater plan for the CDBG funding. Eric answered questions that the council members had regarding the plan. The pipes will go down west main street and direct the water to down below Wilma Neal's house. A copy of the map will be located at the end of the minutes.

Fire Department

Chief William Heyder has retired from being the fire chief. The new fire chiefs are Jeremy Wilcock and Scott O'Hare. Scott stated that between the two of them they were going to be splitting the role. Jeremy would be over the trucks and maintenance on them and also recruiting. Scott will be in charge of the paperwork and certifications.

EMS

The EMS has now joined into one team on call all month long. With Kathy and William Heyder retiring it made them short in numbers. So as of now, everyone is on call all month long. Janette Skidmore is in charge of keeping track of people needing on and off call.

4th of July

Mike stated that if the storm would have held off it would have been nice, but that was out of our control. Other than that, it went really well. There were comments made about how good the fireworks were. Scott O'Hare said that the bounce houses went well, but we didn't get to use them as long as we would have liked because the storm came in. Also, there was one little girl that fell off the bounce house slide and broke her arm. Scott O'Hare mentioned the little girl had been asked several times to not play on the side of the slide before it happened. Mike mentioned maybe we need more supervision, even though parents should be watching their children. A comment was made that there is a sign when entering the park that states to play at your own risk. Scott mentioned that when the bounce houses were reserved, he requested that they have someone from the bounce house company stay and man them. But besides asking and being told someone would be there on the 4th of July, no one showed up to man them. He was very disappointed and would like to look into to doing something different next year.

Keith mentioned we need to make a note that we need to do raffle and awards at 8:00 pm.

Water Department

We need to send a notice out for people to not water during the day time hours to conserve water. It was discussed and decided to only water between 6 pm to 9 am. Tammie will send that out in the water bills for August.

The Snowville Water had to put in a meter for OSI at minimal cost. OSI had been paying for a meter that was never actually hooked up to the system. When OSI approached to town about putting a larger meter in for the vineyard, they were told that was fine they could replace the one that they hadn't been using. When it was noted that it was actually not hooked to the system, the mayor and council decided it was only fair to just charge them for the burrowing under the road and the upsize of the meter. Instead of for the whole amount. OSI thought this was fair, considering the situation.

Streets and Roads

Mike said he hadn't heard when the county was going to come out to help us fix our roads. He thought maybe in August or September. Mike said he will get the sign put up as soon as things start slowing down. It should only take 30 minutes or so to install.

Old and Other New Business

Citizen Concerns

Keith stated that on July 30th Lt. Governor Spencer will be stopping by Snowville at 10am. He would like to help out with a service project. Keith stated that Mayor Heyder suggested doing a service project at the bowery with the picnic tables or something like that.

Acceptance of Expenses

Mike Morgan made a motion to accept the expenses. Scott O'Hare 2nd. All council members present voted yes.

Adjourn

Scott O'Hare made a motion to adjourn. Mike Morgan 2nd. All council members present voted yes.

The meeting adjourned at 7:48 p.m.

Tammie Morgan, Clerk/Recorder
