Roads were discussed. The weeds have been sprayed and Paul has been mowing them. Just the same potholes but the dirt roads need to be graded. Mayor Dalton will contact Cody Pearson to see if he has time to blade the roads in town. We may need to use the water truck to wet them down.

The clerk reported that the fire fighters do have some trainings coming up. The floor in the firehouse has been pressure washed.

The overdue water bills were discussed. The clerk will send out one disconnect notice and two letters of concern. On the disconnect notice she will also send a copy to the property owners.

Mayor Dalton reported on the water report. He said he contacted the health department and they usually stay away from dead end lines but you can put a hydrant at the end of the line. The Health Department in Richfield will help with the water line for the flat properties that they would like to pay for themselves. They will make sure that everything is up to code and how it is required to be. The residents will have to pay for the inspector.

Councilman Bill Merritt stated that he is still waiting on Savage Albrecht Engineering to get him of list of supplies for the Veteran's Memorial. He will get in contact with Ryan Savage again to see where this is at.

The Howard Horton family used the Junction Park after the 4th of July activities. They would like to thank us for having this facility available and enjoyed the time there with their family members of 150+ people.

Councilmember Jodi Hurdsmen discussed the 4th of July celebration. It went really well and we fed about 160 people. Great remarks and a great turnout. The clerk will have a report next month once all the bills have been received. Councilman Jodi Hurdsmen would like to send out thank you cards to those that helped with things. The clerk will look and see if we have some if not she will get some for her.

Town Clean-up was discussed. The clean-up day is July 12, but we have had a huge turnout so far that they have started picking some of it up. The only issue is that there needs to be a better description next year for town clean-up day.

The financial statements and bank statements for the month of June were available for review.

ORDER: Claims were available for the July payroll and accounts payable which goes from Check # 10646 to Check #10671

Meeting was adjourned by Mayor Rickey C. Dalton at 7:44 P.M.

MOTION: Made by Councilmember Jodi Hurdsmen to adjourn.
