Council Work Session

Budget Discussion

Mayor Clayton reviewed the elements of the 2019 Copperton Metro Township budget.

The Council Members each took different aspects of the budget (such as sales tax, UPD, fees, etc.) to more closely examine the origins of all revenues and the reasons behind each projected expense.

It was noted that the Greater Salt Lake Municipal Services District (GSLMSD) will be switching to a new computer system within 30 days. That will allow for more accurate line items specific to Copperton. Currently, items such as mobile phones, contract printing, etc. were Salt Lake County codes not used by the metro townships.

DATE MONDAY FEBRUARY 11, 2019

The next budget workshop meeting will be held Wednesday, March 6, 2019.
