 - c. Lori reported that she, Katie and Tina Misaka (Beverly Taylor Arts Learning Program) visited with the Murray City school district principals to tell them about the district wide art residency which will be dance/movement instruction with Beverly Taylor Sorenson specialists, as a STEAM project. The principals also received a list of art education experiences that are being offered. Lori will check with each principal personally to see what programs they would like to incorporate into their school year.
- VI. Other
 - a. Lori reminded the board about the Parks Master Plan arts and history focus group on Thursday night at 6:30 at the Murray Mansion. The meeting will be held with MIG who is preparing the plan for the City. Lori encouraged all to attend.
 - b. Clark Bullen invited a few guests to the meeting to approach the board about the Murray Downtown area and art. The guests were Janice Strobel and Derek Dyer. They talked

about doing some murals in Murray City on the sides of buildings to bring interests to the area. Lori told them that she has had 3 other groups approach her about the side of the Murray Theater and would consider their idea as it would be great to incorporate as advertising, into the process of the renovation and the mural would not be expected to be permanent. Derek with the Art Alliance said he could provide the paint. Lori asked who would pay the artists. Derek suggested that since they are both Change Leaders, they could apply for UDAM's Random Act of Art grant. Derek said he would check with Lori after Fun Days to discuss more.

Wendy adjourned the meeting. The next meeting will be July 16, 2019.
