Newell Hales: **Newell Hales** stated this is not on the Agenda, but he's got a couple questions about the ordinance regarding obstruction of sidewalks and streets **Newell** is concerned about the dumpster's being left in the roads and not on resident's property. **Newell** is wondering who will enforce this Ordinance if it is Salina City Maintenance or Salina City Police Department.

Bradley Allen stated that the Maintenance crew can help enforce the ordinance by giving out notifications if needed. **Chief Al Taylor** stated the Salina City Police department can work with Salina City Maintenance to enforce the ordinance by handing out notifications for those in violation. **Mayor Jed Maxwell** stated the dumpster on Main Street next to Natalie Porters building has been approved to stay there during construction for a couple days. **Mayor Maxwell** stated to Brad Allen and Chief Taylor to take some ordinances with them in their trucks to keep on hand and if they see dumpsters or cars parked on the streets that shouldn't be there to enforce the ordinance. **Newell Hales** asked Brad Allen to be aware of the pot holes around town he suggested taking some pot hole filler in the back of his truck to fill them when needed. **Newell** stated with Brad's part-time worker gone that maybe he could get a couple bids to help fix some of the roads here in town. He would like to get a list of the streets that have bumps and pot holes that could use chip seal.
