BACKGROUND: *(Presentation by Tom Butler, City Council Member)*

Council member Tom Butler requested an ordinance protecting the fundamental right of the people to bear arms as secured under the second amendment of the United States Constitution, which shall not be infringed. Because it contained elements that were not enforceable, Mayor Ritchie requested Kasey Wright, City Attorney review the ordinance, make recommendations and propose a resolution.

**8. ORDINANCE – An Ordinance to prevent federal or local infringement on the right to keep and bear firearms, firearms accessories or ammunition; nullifying all federal, local acts in violation of the 2nd Amendment to the Constitution of the United States along with Article I, Section 6, [Right to Bear Arms] of the Utah Constitution.**

BACKGROUND: *(Presentation by Tom Butler, City Council Member)*

Council member Tom Butler requested with the support of Council member Tim Irwin an ordinance in addition to a resolution protecting the fundamental right of the people to bear arms as secured under the second amendment of the United States Constitution, which shall not be infringed.

**9. PUBLIC HEARING / ORDINANCE – An amendment to Title 12 Streets, Sidewalks, and Public Places of the Highland City Municipal Code by adding Chapter 12.30 Removal of Neighborhood Option Trails and Chapter 12.32 Designation of Open Space Property for Disposal**

BACKGROUND: *(Presentation by Nathan Crane, Community Development Director)*

On September 18, 2012, the City Council approved an amendment to the Trails Master Plan. The new Trails Master Plan included a Neighborhood Option Trail designation. Neighborhood Option Trails serve specific subdivisions. These trails may be removed without an amendment to the Trails Master Plan. With the adoption of the new Trails Master Plan, procedures need to be put in place that will allow the City Council to consider the removal of these trails at the request of specific development. Chapter 12.32 was included to create a process in which the Council can designate open space lands which are not part of a neighborhood option trail for disposal at the request of a specific development. The goal was to create a process that emphasizes public participation and transparency.
