NEW BUSINESS

***Beautification Award Presentation** Ione Christensen was presented the July Beautification award by Mayor Florang for her residence at 454 N 300 W. Ione talked about all she and Jim had done for the Hinckley Town office & other Town activities.

***Sewer Lagoon** Council Member Palmer and Maintenance/ Hathaway discussed what has and is happening to the sewer lagoon. Since late spring the algae died, and the lagoon is not functioning as it is required to. A consultant for wastewater from Aquatic Solutions is coming down and to what can be done. Starting this week and next week Anthony is to take 5 sets of samples to be studied to see what the problem is. The Council felt maybe the irrigation water running into the system could be killing the algae.

***Consolidated Animal Feeding Operations** will be discussed at the next meeting.

***Roger Wilson Property Tax Increase** Mr. Wilson discussed his feelings about the 2020 Millard county property tax 18% increase. He felt the County wouldn't listen to him and wondered if the Mayor would discuss with the District what the increase would mean to the older citizens, since the Millard School district which the money is supposed to go to rates so low in student test scoring.
The Mayor said he would investigate the 2020 property tax increase.

***Full Time Maintenance Position Opening** The Council and Mayor individually read the 13 applications that were submitted. They wrote down their comments about each application and there was individual voting for each applicant. Four applicants were chosen, and each applicant will be interviewed by the Mayor and then the staff on Aug. 22nd. The first Council meeting, Sept. 5th they will be interviewed in closed session by the Council.

OUTSTANDING BUSINESS

***Road Repairs** West Side Grading will be working on the roads that need to be repaired. Council Member Rowlette moved to have the most immediate needs depending on the bid from West Side Grading, for Center street from the Post Office going west down to 1000 N and 500 S going west be repaired using the $25,000 that is in the budget to use. Motion seconded by Council Member Searle, all voting Aye.

MISCELLANEOUS DISCUSSION

The Mayor said the Town is having dog problems and there needs to be a discussion concerning the dog problems and restructuring of the Town Dog Ordinance.

Council Member Joseph said the Council needed to decide who would receive the Town Beautification Award for August. The discussion was concerning those who had been talked about in the other meetings but not given the award yet. The Council decided that Delynn & Lorraine Hathaway's yard at 425 N Main will be given the award at the next Council meeting. The Beautification awards presentations will continue through the fall.

The watermelon park party will be the 21st at 6pm. Council Member Searle will oversee this.
