### 6-2-16: TRAFFIC CONTROL DEVICES AND MARKINGS:

A. Authority For Placement: The city staff is hereby authorized to place traffic control devices prohibiting or restricting the stopping, standing or parking of vehicles on any highway where, in his/her opinion, such stopping, standing or parking is dangerous to those using the highway, or where the stopping, standing or parking of vehicles would unduly interfere with the free movement of traffic. Where appropriate signs or traffic control devices have been erected or placed according to this section, no person shall stop, stand or park any vehicle in violation of the restriction indicated by such devices.

2. "Blue" shall mean no parking for longer than one hour in city parking lots during evening hours between ten o'clock (10:00) P.M. to six o'clock (6:00) A.M.
3. "Yellow" with the words "restricted zone" stenciled thereon, shall mean no stopping, standing or parking except as stated on any accompanying signs or markings giving notice thereof, except that this provision shall not apply on Sundays and legal holidays. (Ord. 2013.05, 12-12-2013)
