Taylorsville - Volunteers - Total Volunteers	Total Active: 72	65 had hours this reporting period

Successful Events at the Center ...

Beginning Sewing Class gives back to the Community

This class worked on procedure dolls and blankets to give to Primary Children's Hospital. The class consists of our refugees from the Congo.

Special thanks to Taylorsville City for agreeing to transport the participants with their handmade items to Primary Children's so the refugees could see first hand where their donations were going.

(A touching story about the refugee sewing class can be found on Salt Lake County's Facebook page posted on July 15, 2019.)

Taylorsville Senior Center hosted a successful Health Fair on August 27th to give information to our participants from various Community Partners. A demonstration from the instructor of Minding Motion helped boost interest for this valuable class.
