Notice of Termination and Replacement – Statewide Utility License Agreement

Dear Mr. Jockumsen and Ms. Holindrake,

The Utah Department of Transportation (UDOT) has a Statewide Utility License Agreement (SULA) on file with Payson Municipal Corporation - Payson City (City) dated September 10, 2014, (attached). UDOT is updating and replacing all SULAs that are more than 5 years old to bring them into conformance with current rules (R930-7) and form. This letter serves as UDOT's official 30-day written notice of termination, as required by paragraph 18 of the SULA. The City's SULA will terminate on October 10, 2019.

As stated in the SULA, this notice of termination does not affect any permits issued and approved under the terms of SULA. However, if a new SULA is not executed prior to the termination date noted above, no new encroachment permits will be issued by our regional offices to the City until the new SULA is in place.

Attached, for your records, is a copy of the current SULA that is up for termination along with a new, replacement SULA. Please review the City's information on the replacement SULA for accuracy and completeness and notify UDOT if there are any corrections required. Upon receipt of any needed corrections, my office will prepare and send a final replacement SULA for signature. If there are no corrections, please sign the SULA and return via email.

Should you have any questions or concerns about this SULA or the termination/renewal process, please contact me, coreynelson@utah.gov, 801-965-4083.

Sincerely,

A handwritten signature in black ink, appearing to read "Corey D. Nelson".
