Park- Electronic locks

Currently Stewart unlocks the bathrooms at the park in the mornings, and Jon Hansen has been locking them up at night. Council is looking into getting timing locks that can be programmed to lock and unlock at certain times, rather than having someone physically go to the park and do it.

David Beck made a motion to purchase two keyless electronic locks for the city park bathrooms. Seconded by Jonah Christensen. Carries 4-0.

Rachel Jensen- Pioneer Day Wrap-Up

After paying all expenses the Pioneer Day committee ended up making about \$1200. Rachel would like to try holding the festivity at the city park next year. Would like it to turn into a city celebration (to include everyone), not so much a church holiday. Rachel will start planning and get a committee in January 2020.

Cody & Sharon Olsen- Utilities

Cody and Sharon Olsen are selling their house, when the new owners came in to sign up for utilities, it was discovered that Cody and Sharon never came in and signed a utility contract, so they have not paid utilities for six and a half years. Mayor Sorensen will talk with Cody to see what can be resolved.

Unfinished Business/Report of Council Members

David Beck-

David will get with Lane Torgerson to get a date for when Staker Parson will be to Centerfield to get the road project finished. Jon will get with Mike Madsen to see when he can start the culinary water line project.
