

Mayor Holly H. Daines
Idle Free in Utah
Declaration

WHEREAS, idling vehicles emit particulate matter and other pollutants that, when inhaled, are known to cause serious health problems, especially for children and sensitive populations;

WHEREAS, Utah had the first Idle Free Campaign in the nation, and 2019 marks the twelfth anniversary of the Idle Free declaration issued by the Governor of Utah;

WHEREAS, we see to educate the Idle Free Campaign as a key goal of Utah's Energy Action Plan;

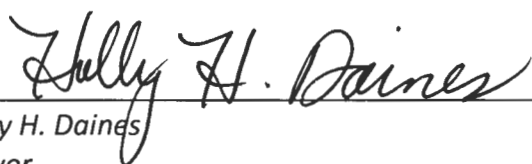

WHEREAS, the Utah Clean Cities, along with all Utah School District and the Utah State Board of Education developed and put into place a school bus idling reduction program, and elementary student education plan, informing youth and the general public about the benefits of reduced idling;

WHEREAS, the grassroots Idle Free Education program developed of Utah Clean Cities, has grown with support from the Utah Legislature including Clean Air Caucus, Utah Clean Air Partnership, Breathe Utah, Utah Society for Environmental Education, and the State Health Department's Utah Asthma Program and Recess Guidance, and has reached more than 15,000 students across 450 schools; Alta, Cottonwood Heights, Draper City, Holladay, Logan, Murray, Park City, Salt Lake City, and Sandy by having Idle Free ordinances;

WHEREAS, we applaud actions to support Idle Free efforts to improve air quality.

NOW, THEREFORE, I, Holly H. Daines, Mayor of the City of Logan, do hereby declare October and the 2019-2020 Winter Season as **IDLE FREE IN UTAH**.

IN WITNESS WHEREOF, I have hereunto set my hand and to be affixed on this
1st day of October 2019.

Holly H. Daines
Mayor
