

Arena Board
August 28, 2019

Present: Chance, Wayland, Katie, Janice, Alan S., Ken, Walt, Karen, Doug, Alan K. Dan, Buzz

The minutes from the August 7 meeting were read and approved.

Tanner Valcrio came to speak to us. He represents a group that hosts events including concerts, corporate events and city events.

They have worked with many artists. He would like to help us put on a country concert such as Scotty McCreary. This would be apart from Draper Days. Weekdays are cheaper. However there is usually a smaller attendance than on weekends. The concert could be concluded by 10:30 p.m. They would bring vendors, sponsors and maybe fireworks. Dan and Wayland will check to see if the fire marshal will let people stand or sit on the floor of the arena to accommodate more people. Tanner's group would take care of nearly everything. They could be set up and cleared out in about two days. The board suggested either June or August, perhaps the Saturday before Father's Day. Tanner would need 120 days to put this together. We invited him back to our Sept. 25 meeting to discuss this further. Chance will talk to Rhett about this event.

Alan K. suggested that we still keep the arena mostly for horses.

A.J. Clayson did not come to discuss the Renaissance Fair and jousting event.

Chance cancelled #5 on the agenda, discussion on vote of board officers. However, Alan K. asked to be released as Vice President. He is out of town a lot and mentioned that there may be other members who would like a chance to serve.

Doug called for a vote on whether or not to have the moto cross next summer. The vote was 5 to 4 against having this event. Katie motioned that we do not have the moto cross and Alan K. 2nd. We will look for other activities.

There was discussion that we should address the city council to let them know that we have changed the event but still request the money that was allocated for hosting the moto cross.

Our next meeting will be Sept. 25 at 6:00.
Meeting adjourned.
