Not enough information on items 2, 3, 4, 6. Adam Breen / Breen Homes. It could be a conflict of interest having a developer/builder on the ARC. Comment: The recent near completion of the plan to narrow the northbound lanes on Highland Drive, south of Ft. Union, from 3 lanes to 2 lanes has moved traffic to 2300 E. for those wanting to avoid that approach to the intersection. Was this also the plan to increase that traffic on 2300 E. to warrant the round-a-bout at 2300 E. and Bengal Blvd?

The city's website is poorly conceived, poorly designed and is not set up to easily navigate.

You advertise Murray "City of Trees" yet the widening of Vine Street from 1300 East to VanWinkle will take down some stunningly beautiful trees that are perfectly healthy to install sidewalks and install a center lane. This will only add faster traffic to this neighborhood where two schools draw kids from all over. How about looking at alternatives to taking down these trees -- curving sidewalks or let the tree live in the center of a divided sidewalk. We don't have that many legacy trees and cutting them down to create more traffic is crazy!

RE: Resolution 2019-60 with \$14,000 proposed to go to the SL Co. Arts council, what are the plans for a dog park in or around Cottonwood Heights? Citizens have been asking the CH council for YEARS to build a dog park that is in the SL Co. master plan but CH City Council has done nothing to provide a dog park.
