Agenda Item 3. Purchase Order Request for Fencing around Wellington City Shop

Mayor Powell briefly reviewed Agenda Item three with Councilmembers. Kory and Joni Moosman have approached Mayor Powell to discuss donating a portion of their property to Wellington City. This small land donation would allow Wellington City to extend 700 East, and thus create another access way to the Knight Ideal Pond. The Moosman's would require the road have curb and gutter, and that Wellington City install a fence on the eastern side of their property. Councilmembers agreed to consider the matter and gather additional information before approving or denying the request.

Agenda Item 4.

Tammy Beshman came before City Council to request a water leak adjustment. Beshman and her mother have been in Wellington City cleaning out her deceased father's home. The home was not properly winterized during the prior years, and upon turning on the water there was a minor leak. Approximately 10k gallons of water was lost within a 12 hour period. The City Recorder provided a hypothetical adjustment based on two weeks of use.

Councilmember Wells moved to provide a rate adjustment for Tammy Beshman based on the City's rate. Councilmember Rich seconded the motion, and the motion carried with Perea, Rich, Willson, Wells, and Noyes in favor.

Agenda Item 5. Vouchers and Warrants

Councilmember Willson moved approve vouchers and warrants. Councilmember Wells seconded the motion, and the motion carried with Perea, Rich, Willson, Wells, and Noyes in favor.

Agenda Item 6. Councilmember Reports

Rory Bradley, the Police Chief, briefly provided a department update. Bradley was attending the swearing in Ceremony for the new Price City Police Chief during work session. As a result of changes at Price City, the Wellington City Reserve officers will have a difficult time covering shifts during the upcoming months. Councilmembers provided possible scheduling solutions for the department, and the Police Chief agreed to consider all possible options.

The Police Chief also provided community updates pertaining to the Opioid Epidemic. In the prior day alone Carbon County Dispatch received three calls for overdose. Councilmember Rich stated that the Wellington City Attorney had noted that the Wellington Police Chief has done an amazing job during his first year of service.

Councilmember Perea announced that one of the grants she helped the city apply for was under review, and that Wellington City was being considered to receive the funds.

Councilmember Rich requested that Dan Schaugard, the representative for the P.R.W.I.D board come to City Council to provide an update.
