Local Control of Education for the Community

- Increase Local Control of Education by Authorizing Local School Community Councils to:
 - Choose Their Own School Principals
 - Develop Their Own Curriculum to Meet State Educational Standards
 - Eliminate Most State Mandates Freeing Up Teachers to Teach
- Transform School Buildings into Cost Effective Neighborhood Service Centers to:
 - Provide Medical and Mental Health Services to Students & Families
 - Provide Space for Child Care Services
 - Extend Library Services to Community Members
 - Provide Low Cost or No Cost Meeting Rooms to the Public

Clearfield

- Amend Current Law to Require City Referendums to Let People Vote on Property Tax Exemptions for Productive Urban Farms
- Petition Clearfield City to Undertake a "Warrant" Study to Recommend and Fund Public Safety Improvements along 1000 West to Reduce the Number of Accidents
- Develop a State Equalization Program to Provide State Assistance to Repair and Maintain City's Aging Infrastructure
- Involve the Public in Demanding the Completion of Widening of the Dangerously Narrow 2000 West Corridor

Sunset City

- Mitigate, Reduce, and Provide City Amenities to Proposed 1800 ^{North} South Widening
- Address the negative impacts of Davis Behavioral Health residential facilities
- Develop a State Equalization Program to Provide State Assistance to Repair and Maintain City's Aging Infrastructure
- Develop a Community Matching Grant Program to bring back the "real" Santa Claus Experience
