Minutes from December 18, 2018 meeting were read by Mayor Cox and the Town Council.

Doug makes the motion to approve the minutes from December 18, 2018 as presented; Marilyn seconded the motion, all in favor, the motion carried. Votes were cast as follows: Doug, aye; Yvonne, aye; Marilyn, aye; Kendal, aye.

Doug

- Stacey still needs to get the water certificates to Doug so they can get the water turned into Sterling's system. There has been a few outside water connections where there was underground water given to the Town. Stacey will work on it and get the certificates to Doug.

Yvonne

- We have received a check back for a water bill. The water user sent an additional check for the water account. Yvonne and Stacey checked with their bank and they said the 2 checks would clear the bank. By the time the deposit hit the bank the checks were returned again. Mayor Cox states that we need to write a letter and let them know that we need a money order or cash to bring their account current.

Marilyn

- Marilyn did not like the peanuts in the Christmas sacks. She also is worried because there was not enough candy for everybody. We need to figure out how to get enough sacks of candy. Marilyn suggests asking those that are having large family gatherings to donate a little money. Doug can see the problem but hates to ask for money.
- Marilyn would like to get some new Christmas decorations for the light poles for 2019. Mayor Cox says that we need to do something different because half of the decorations were not lit. Marilyn will look into some things.

Kendall

- Kendal does not have anything to report from the Planning Commission or the fire department.

- Stacey lets Kendal know that there has not been any interest in the Planning Commission secretary position. Suggestions were made to get one of the youth to do it. Marilyn says the Council should think on some names and then go visit the individuals.

Mayor Cox

- The Council needs to think about the mowing situation this year. Mayor Cox would like to get a bid from the Fowles and see how much they will charge us to mow. Harry will continue to water and preform the building maintenance.
