A yellow cell indicates the highest ranking city in Utah for this category.

* Cities or jurisdictions with a population of 10,000 or more (total # of cities = 3,381).

** For the combined rating (Violent + Property) violent crimes were multiplied by the ratio of prop to violent crime (5.7).

*** Cost of crime tabulated using the cost (tangible & intangible) of each class of crime from a 2008 research report.
