Time was turned to Zach Leavitt with Six County to report on some ordinance information he has been working on. He said he would look into the nucense ordinance of Richfield's to see if there is something in there to help up. A travel trailer was parked in the flat and they are wanting to put septic tank in. The mayor contacted them to let them know that a perk test and approved septic tank needs to be done before receiving a building permit. Zach will look into a dog ordinance and report back next month. The ordinances need a little updating. Zach will work on these and get a sample back to the mayor before next meeting.

The Mitigation plan needs to be gone over. Mayor Dalton, Councilman Sherm, and Councilman Greg will go over this and get it back to Zach by November 12, 2019. The clerk can email it back if needed.

The master plan for water in the flat was discussed again. The Mayor will set up a meeting with Savage Albrecht Engineering and Zach Leavitt to go over it and see what they can come up with.

Councilman Greg Pearson had nothing to report on the roads.

Councilman Greg Pearson stated that the fire trucks were used to escort the State Champion baseball team into Piute County. There was a wildland fire by Antimony last month that they did respond to.

Overdue water bills were discussed. The clerk will send out letters of concern to those on the list. No issues with water and all is good.

Councilman Sherm Buck discussed the cemetery. He stated that the weeds and sage brush need some control. Mayor Dalton stated again to contact the inmates from Sevier County to come and spend a day working at the cemetery. Mayor Dalton will get with Sherm and get him the contact information.

Councilman Sherm Buck discussed the airport. Nothing major going on. The Drag races held went well and the town received \$770 from them. It was a good turnout and a great day at the races.

Councilman Bill Merritt discussed the Veteran's Memorial. He stated that the drawing may be wrong because the brick may be too small. He will contact them and see and get a size of the correct brick to go with the drawing to turn in to Home Depot to see about funding.

Councilmember Jodi Hurdsman discussed some ideas for the Town Christmas dinner. She stated that she would like to try something different but the board did not agree with the idea. She will think of some different things and discuss it next month. The dinner will be held on Saturday December 21st at 5:30 P.M. with Santa following at 7:00 P.M. at the Town hall. Candy bags will be cut to 225 and be bagged at the December meeting.

The issue of aggressive dogs was discussed. Some board members would like to see about getting a dog ordinance put into place. Zach Leavitt will get some information on this and let us know.

The Municipal Election will be coming up in November and Junction Town did not have enough candidates sign up for the election so a resolution needs to be passed to cancel the election.

MOTION: Made by Councilman Greg Pearson to pass Resolution #1 for cancel of elections.
SECONDED: Councilman Sherm Buck
