Logic and Accuracy Report

September 25, 2019 at 3:00 PM

The logic and accuracy testing was held in the Commission Chambers with the backup ballot scanner and the touchscreen passing the test. The miniscanner did not pass the initial test and with many following tests on equipment and the ballots, we discovered the printer used to print the ballots was giving us inconsistent results. We have since tested a new test deck multiple times and the mini scanner has passed. We have ensured the printer company will use the printer used for the test deck on the General Election ballots.

Office of the Lieutenant Governor
Spencer J. Cox

July 25, 2019

**BEAVER COUNTY 2019 MUNICIPAL ELECTION
AUDIT PLAN**

- County Election Staff will use 50 ballots in each batch.
- Staff will keep batches separate and numbered to correlate with batch results.
- Staff will send Lt. Governor's office Batch numbers and totals.
- Lt. Governor's office will contact Staff with Batch number to audit.
- Staff will calculate 1% of total ballots cast and randomly select that amount from selected batch to audit.

Thank you,

Tracy McMullin
Deputy Clerk/Auditor

Hi all,

I just wanted to remind you to get me your ballot batch data within the two days after the election (November 6-7). I will need to know two things:

- The number of ballot envelope batches;

- The number of ballot envelopes within each batch.

I will then randomly select ballot envelopes for auditing and get the information back to you within one business-day. Counties have to complete the audit before the canvass period ends.

Please let me know if you have any questions.

Best,

Lauren

Hi Tracy!

Thank you for getting this over to me! After randomizing the data you provided, I will need you to audit the first 14 envelopes in Batch #103101.

You have to complete the audit before the canvass period ends and provide a copy of the attached audit summary sheet. If you find any discrepancies in the audit you will need to provide a short explanation.

Please let me know if you have any questions.

Best,

Lauren
