

Willard City Council Corporation

Resolution: # 2019-19

A resolution requesting contact information on municipal elected officials be included on the Willard City Website

WHEREAS, Elected officials do not have written any contact information for the citizens of Willard to access; and

WHEREAS, the residents of Willard ought to have the capability to know who their local elected officials and how to contact them;

THEREFORE, BE IT RESOLVED by the City Council of Willard City:

Article 1. Willard City Council will have the determination to resolve the deficiency of information essential for the community to develop a stronger association with the municipal elected officials.

Article 2. Willard City Council ought to include the undercurrent elected officials' contact information on its website.

Article 3. Willard City Council will request an update on the newly duly elected official contact information no later than January 31 after the election.
