Fire Dept

Mayor Heyder moved the county truck to the center bay. The town truck has a battery charger on it now but it won't start. Mayor asked Scott O'Hare to let Jeremy know. The county contract can be terminated in 30 days or goes until the spring. He told the council they need to be thinking of what they want to do with it. Whether they sign it again or tell the county to come and get their trucks. He asked Scott O'Hare to talk to Jeremy and the firefighters and see if they want to get trained on brush fires/county fires.

EMS

The EMT's went to convention last month and got 15 hours' worth of training. Mike stated that he spoke with someone from the state and they indicated that the best thing to do is go to Bridgerland to get certified. Mike said the last class the county did no one passed. Mike said he has a few that said they are interested in becoming certified. Mike will talk to them and see if they are committed to take the course. Mike thinks its around \$600 per person to do the course but he will look into it and get back to the council.

Mike stated that they have decided to pay the EMT that does the reports an additional \$15 per report. One of the EMT's had to go back and fix some of the reports that were entered wrong. This was needed to be done because the state required it in order to keep our grant status.

Streets & Roads

The snow plow is ready for the season. Tammie indicated she will post the job so we can be in compliance for our financial review.

Citizen Concerns

Mayor Heyder stated we need to purchase some rebar to bury in the ground at the cemetery to mark the plots. This will help immensely in the snow. It will cost \$319.

Mayor Heyder stated when they came to empty the landfill dumpsters it was over filled and so the new machine that they use to pick up just pushes what ever is over on the ground. John and Scott had to go down and clean up the mess after they were dumped. Mayor Heyder stated that we need to remember this and not overfill the dumpsters in the future.

Mayor Heyder said there are a few dogs running loose and asked John to get with the dog catcher and make sure he is watching for them. Also, Tammie stated that she received a message from BE County Sherriff's department about a dog incident on 100 North. She read the complaint to the council and it will be attached at the end of the minutes.

The council decided to just do the Ranch House again. Alan will talk to Shanna and get it arranged. We will finalize a list for next town council meeting and send out invitations.

Mayor Heyder wanted to follow up with the letters we sent out in regards to living in campers and tents. Also, he asked Tammie to have the lawyer follow up with the letters that were sent out for the junk/nuisance ordinance.
