

**Minutes of the
Honeyville City Council
September 23, 2019, Special Meeting**

MAYOR BOYD BINGHAM called the meeting to order at 7:00 p.m.

Present were Mayor Boyd Bingham, Council Members Mary Bingham, David Lee, Dale Millsap, Bruce Nelson and Jeff Sanders.

Approximately 4 members of the public were present.

BRUCE NELSON offered the invocation & led the group in the Pledge of Allegiance.

CONFLICT OF INTEREST: DALE MILLSAP stated he owns property that one of the solutions crosses.

CITY ADMINISTRATION: MAYOR BOYD BINGHAM

BRUCE N stated that he'd asked Dana to look at Windy Poplars about 10 days ago after the City Council had a closed session. Originally the city thought they had 4 solutions. Option 1 would be to do nothing, however the city lawyer expressed that she did not feel that was a good idea. Option 2 would be to go into an 8" pipe, but Dana, the city engineer, expressed that this was not good idea. Option 3 would be to grade it to the west, but there are a couple of problems with that. Option 4, being the best solution, is to put a 15" pipe in the Southwest corner of Karla Stumpp's ground (or Lot 5) to the Salt Creek. Bruce continued explaining that there are 2 options on how to do this. One option being that Dale Millsap sell or give the city a right of way. The second option would be to go through the current Honeyville City right of way. This would not be a lot more money and the city would not be intruding upon anyone else. **BRUCE N** proposed that the city put a 15" pipe from the Southwest corner and head East and go through the right of way. **DANA S** presented the plat and showed where they plan to put the pipe. She also proposed going to an 18" pipe when they cross the street. There was also discussion about culverts. **DANA S** stated the pipe will replace the culvert that currently goes under the road but advised Dale not to block his culvert for his rental home. She shared that there is about 772 ft of pipe. Approximately 475 ft. of 15" pipe and the remaining 300 ft. would be 18". **DANA S** feels this will adequately handle Ms. Stumpp's 1.6 cfs runoff. She also stated that the 15" pipe will handle 3.6 cfs and the 18" pipe will handle 5.8 cfs. **BRUCE N** felt there was no best solution, but this would be a good solution. **DANA S** expressed that the homeowners of Windy Poplars need to maintain and reconstruct their swells and driveway culverts. Which **DALE M** stated they are not currently doing, and that the city will need to let county know about the issues. **DANA S** stated that when people grade their lot, that they need to grade according to the design plans.

BRUCE NELSON made a motion for the City to accept the drainage from the Southwest corner of Karla's lot running East under the road onto the drainage easement owned by Honeyville City to the Salt Creekas recommended by himself and Dana. DAVID LEE seconded the motion. MOTION CARRIED with Mary Bingham for, David Lee for, Dale Millsap for, Bruce Nelson for and Jeff Sanders for.

DANA S will put out a public bid. She will have a package put together by the end of the week.

LEE LORIMER asked for a clarifying question about a ditch and swells on his property. DANA S stated the west driveway culvert is higher than the east culvert which is causing it to dam up water. There was further discussion regarding ditches and swells pertaining to Lorimer's property. MAYOR BINGHAM suggested that Dana look things over and that decisions be made based on her recommendations. KARLA S asked questions regarding changing her driveway. DANAS asked that she state what she would like to do now, that way she can include it in the plan in order to prevent future complications.

JEFF SANDERS motioned to adjourn. MARY BINGHAM seconded the motion. MOTION CARRIED with Mary Bingham for, David Lee for, Dale Millsap for, Bruce Nelson for and Jeff Sanders for.

MEETING ADJOURNED AT 7:30 p.m.

The foregoing minutes were taken and typed by Brittiny Chlarson.

I certify these minutes to be true and accurate to the best of my knowledge.
