DETAILED REASON AND EXPLANATION FOR REQUEST:

According to UCA 20A-7-401.3, Payson City is required to adopt a Voter Participation Area (VPA) Map by January 1, 2020, for the purpose of those obtaining signatures for initiatives and referenda. These areas are not the same as voting precincts. Individuals gathering signatures must collect a certain percentage of voter's signatures in each of the four areas. In this way, the process of gathering signatures requires better representation of the community. The VPA map has been prepared by the Utah County Elections Office.

DUE DATE:

This agenda request and any supporting documentation is due to the city recorder by the Wednesday one week prior to the council meeting. This allows final preparation of the agenda and time for the city attorney to review.
