COMMUNITY DEVELOPMENT BLOCK GRANT PUBLIC HEARING:

Mayor Andrew Dutson opened the public hearing for the CDBG program and stated that the purpose of the public hearing is to provide citizens with pertinent information about the Community Development Block Grant program and to allow for discussion of possible applications for the 2020 funding cycle. It was explained that the grant money must be spent on projects benefiting primarily low and moderate income persons. The Six County Association of Governments, in which Lynndyl Town is a member, is expecting to receive approximately \$787,170 in this new program year. All eligible activities that can be accomplished under this program are identified in the CDBG Application Policies and Procedures Manual and interested persons can review it at any time. Mayor Andrew Dutson read several of the eligible activities listed including examples, such as Construction of public works and facilities, e.g., water and sewer lines, fire stations, acquisition of real property, provision of public services such as food banks or homeless shelters. Mayor Andrew Dutson indicated that in the past Lynndyl Town has received at least one grant to install the wheelchair lift and door opener at the community center. The city has handed out its capital investment plan as part of the regional "Consolidated Plan". This list shows which projects the city has identified as being needed in the community. It was asked that anyone with questions, comments or suggestions during the hearing please identify themselves by name, before they speak. The clerk will include your names in the minutes and we would like to specifically respond to your questions and suggestions during the hearing. There were no comments from the public. Mayor Andrew Dutson mentioned that one consideration the council had discussed for the funding was to use it to enlarge the fire station and preserve the historic community center. Mayor Andrew Dutson then asked if there were any other suggestions. There were no other suggestions. The hearing was adjourned at 2:37 PM.
