2. NEW BUSINESS

Clarkston Town Water Operator Bryan Goodsell – Water System IPS Report – Clarkston Town Water Operator Bryan Goodsell came before the Council to give an update on the Improvement Priority System Report (IPS) for the Clarkston Town Water System. Mr. Goodsell handed copies of the current 2019 IPS report to the Council. See Attachment A Mr. Goodsell reported that the Division of Drinking Water Board approved the proposed revisions and beginning January 2020 the point threshold rating allowed for public water systems would be 150 points. Mr. Goodsell stated that the current 2019 IPS report rating was at 9 points. In January 2020, with the approved revisions to the IPS Rule, the report rating would be at 55 points. Mr. Goodsell stated that he had been reviewing the current IPS report for the Clarkston Town Water System and some of the listed violations have been corrected and would be taken off but because of Mylar Creek there could be some other violations added to the report. Mr. Goodsell believes that the 2020 IPS report rating will still be way below 150 points. Mayor Hidalgo sought clarification that the Clarkston Town Water System would still be assigned an Approved rating when the new revisions to the IPS Rule take effect on January 1, 2020. Mr. Goodsell acknowledged that that was correct. Mayor Hidalgo stated that he had talked to Richie Calderwood about cleaning up the water system springs area and wondered if he and Mr. Goodsell

would be willing to do that instead of hiring somebody else to do it. Mr. Calderwood was going to look into what it would cost the town to rent some equipment to do that. Mayor Hidalgo asked Mr. Goodsell to coordinate with Mr. Calderwood on the project and determine what needs to be done and then secure some bids to do it. Mayor Hidalgo would like to have the spring's area cleaned up 2-3 times a year. Mayor Hidalgo stated that he had talked to Scott Archibald from Sunrise Engineering and Mr. Archibald thinks that is a good plan and recommended doing it at least annually.

Executive Session to Discuss the Character, Professional Competence, or Physical or Mental Health of an Individual and to Discuss Pending or Reasonably Imminent Litigation – Mayor Hidalgo asked for a recommendation to go into an executive session to discuss the character, professional competence, or physical or Mental Health of an Individual and to Discuss Pending or Reasonably Imminent Litigation. Councilmember E. Goodey made the motion to go into an Executive Session. Councilmember N. Sparks seconded the motion. All in favor “Aye”. Motion carried. At 6:37 p.m. the Mayor and Council entered into an Executive Session.

Mayor Hidalgo and the Council returned from Executive Session at 6:55 p.m. Mayor Hidalgo asked for a motion to reconvene the regular Town Council Meeting. Councilmember N. Sparks made a motion to reconvene the regular Town Council Meeting. Councilmember E. Goodey seconded the motion. All in favor “Aye” Motion carried.
