Jared Sholly, Fire Chief, explained the executive summary which explained, Riverdale City Fire Department would like to award Professional Sales and Service for the purchase of a Type II 2020 Ambulance. Two bids were received and opened on December 12th. Only the Professional Sales and Service bid met or exceeded the specifications set out.

Professional sales are a Salt Lake City based company that is well known for its service, high quality products and professionalism. The ambulance manufacturer that will produce this ambulance is named AEV (American Emergency Vehicles). AEV manufactures one of the strongest and safest ambulances on the market. They meet and/or exceed all standards within the industry. I feel very confident that Riverdale City will receive a very high-quality piece of equipment to serve our citizens in the most cost effective and safe manner. Councilor Arnold discussed establishing an amount of funds within the current budgeted amount of \$240,000.00 that could be used to equip the new ambulance.
