Judge Noonan will assist with creating a form template for responses from the courts regarding deficiencies. Judge Noonan recommended the Council review the infrastructure support needed to help with the growing problem-solving courts throughout the state.

8. FORMS COMMITTEE REPORT: (Randy Dryer and Brent Johnson)

Chief Justice Durrant welcomed Randy Dryer.

Primary highlights the committee report include the following:

1. The committee updated numerous forms due to recent court rule changes or legislative enactments in the 2019 legislative session.
2. The majority of the forms needed for use by LPPs to practice in the areas of landlord-tenant and debt collection have been updated.
3. Approximately 90% of the OCAP provisions relating the family law have been reviewed and approved. There are numerous other general family law practice forms that the committee will be reviewing well into 2020.
4. The committee welcomed the addition of a new committee member, Amber Alleman (pending final Council approval). Ms. Alleman is a member of the inaugural graduating class of four LPPs.
5. The committee received a request from Representative Walt Brooks to revise the current subpoena form which specifically requires that three particular documents (Notice to Persons Served with a Subpoena, Objection to Subpoena, and Declaration of Compliance with Subpoena) be attached with any court subpoenas served pursuant to Rules of Civil Procedure rule 45. The request was to eliminate the requirement to physically attach the documents to the subpoena and instead provide a link on the subpoena to the court's web page where the forms may be accessed electronically. The committee deemed the matter to be a policy question beyond the purview of the committee's mandate and requested guidance from the Council. Committee members expressed concern that such a change would have a negative impact on access to justice since not all Utahns, including those who are economically disadvantaged or who live in rural areas, have ready and reliable access to the internet.

Chief Justice Durrant thanked Mr. Dryer.

9. BOARD OF DISTRICT COURT JUDGES REPORT: (Judge Christine Johnson and Shane Bahr)

Chief Justice Durrant welcomed Judge Christine Johnson and Shane Bahr. Judge Johnson reviewed the Board membership. The Board has been working on documents that are required to be signed either by a commissioner and/or a judge and are waiting for the accompanying IT fix. The Board has also made the recommendation to eliminate the requirement that the Military Service Order be signed when a defendant is not in military service. The Board is working on better communication with the Council. The Board recommended an

increase to the Judicial Operations Budget to the Budget & Finance Committee. Judge May provided a brief status update to Judge Johnson of the recommendation.

The Board created a searchable link for judges to upload orders, allowing for a resource to judges. The Council welcomed members of the Board to attend Council meetings either in person or telephonically.

Chief Justice Durrant thanked Judge Johnson and Mr. Bahr.

10. APPELLATE E-FILING GRANT APPROVAL: (Judge David Mortensen and Larissa Lee)

Chief Justice Durrant welcomed Judge David Mortensen and Larissa Lee. Grant funds would allow the appellate courts to begin studying requirements to implement an appellate e-filing system through a hired consultant, to determine the appropriate software for appellate e-filing.

This grant requires the courts to match 50% (\$25,000), but only 10% (\$5,000) would be required. The remaining funds would represent the hourly rate of employees' working on the project. The E-Filing Appellate Task Force estimated that e-filing would most likely result in the elimination of 1 FTE. Heidi Anderson noted fully funded, it would take IT approximately 18 months to build the program. Ms. Lee said the appellate courts will split the \$5,000 cash required between the Supreme Court and Court of Appeals.

Chief Justice Durrant thanked Judge Mortensen and Ms. Lee.

Motion: Judge Shaughnessy moved to approve the grant in the amount of \$50,000 with the courts match of \$25,000; of that \$5,000 cash is required to be paid for by the appellate courts, as presented. Judge Appleby seconded the motion, and it passed unanimously.

11. APPOINTMENT OF CO-CHAIRS TO THE JUSTICE COURT REFORM TASK FORCE: (Justice Deno Himonas)

The Management Committee approved creating two co-chairs, one justice court judge and one Court of Appeals judge to the Justice Court Reform Task Force. Judge Paul Farr volunteered as the justice court judge representative. Judge Appleby respectfully declined a request to co-chair the task force.

If the task force was limited to removing the de novo appeal, the Supreme Court would primarily oversee the task force, however, the Management Committee requested a broader review of justice courts including fines and fees, salary caps, and qualifications for judges. Therefore, the committee concluded that justice court reform is predominantly within the exclusive authority of the Judicial Council. The task force will therefore be a Judicial Council Task Force. The Supreme Court will designate one member of the task force because part of the review will address de novo appeals, an area over which the Supreme Court has exclusive authority.

The Council discussed task force composition which could include Judge Paul Farr, an appellate judge representative as co-chair, a district court judge, Cathy Dupont and Michael Drechsel, plus additional members as determined by Judge Farr and the Administrative Office of the Courts.

Motion: Judge Appleby moved to establish the Justice Court Reform Task Force and appoint Judge Paul Farr as co-chair, and have the Supreme Court, Court of Appeals, and the Board of District Court Judges identify members to the task force. Judge Shaughnessy seconded the motion, and it passed with and Judge Farr abstaining.

12. JUDICIAL CONDUCT COMMISSION REPORT: (Alex Petersen)

Chief Justice Durrant welcomed Alex Petersen. Mr. Petersen reviewed the current members of the Commission and noted Jim Jardine will be leaving as Chairman of the Commission in the spring. Mr. Petersen will seek a replacement at that time. In 2019, the Commission attended conferences where e-filing of complaints was addressed. Complaints have increased with e-filing however the ratio of complaints with action taken has remained the same. The Commission is conducting a five-year review of their administrative rules.

Mr. Petersen noted nationally common complaints are dealing with subordinates and sexual harassment.

Caseload Update:

- a. 64 cases in FY19 compared to 58 cases in FY18. Currently at 24 cases in FY20.
- b. To date in FY20, have had 1 public disposition and 1 Dismissal with warning disposition for 1) Indecorous treatment of subordinates and 2) Abuse of prestige of judicial office.
- c. No cases are pending before Utah Supreme Court.

Chief Justice Durrant thanked Mr. Petersen.

13. FOURTH DISTRICT COMMISSIONER ASSIGNMENT: (Judge F. Richards Smith and Judge James Brady)

Chief Justice Durrant welcomed Judge F. Richards Smith and Judge James Brady. Judge Smith and Judge Brady requested on behalf of the Fourth District and Juvenile Court Benches approval of a change in allocation of Commissioner Sean Petersen's workload from the current allocation of .8 to the district court and .2 to the juvenile court to 100% of his time allocated to the district court, effective January 1, 2020. The Juvenile Bench created a plan to distribute Commissioner Petersen's workload.

Chief Justice Durrant thanked Judge Smith and Judge Brady.

Motion: Judge Appleby moved to approve transitioning Commissioner Sean Petersen to only the district court, effective January 1, and dividing his current juvenile workload to the current juvenile team, as presented. Judge Farr seconded the motion, and it passed unanimously.

14. CJA RULES 1-303, AND 5-101 FOR FINAL ACTION: (Cathy Dupont)

Chief Justice Durrant welcomed Cathy Dupont. CJA Rules 1-303 and 5-101 public comment period closed on January 31, 2019. No comments were submitted. Ms. Dupont now seeks a final approval for these rules.

Chief Justice Durrant thanked Ms. Dupont.

16. JUDICIAL COUNCIL PRESENTATION GUIDELINES AND COUNCIL NORMS: (Cathy Dupont)

Chief Justice Durrant welcomed Cathy Dupont. Ms. Dupont presented Council Presentation Guidelines and amendments to Council Norms proposed by Ms. Dupont, Judge Appleby, and Judge Shaughnessy. The Guidelines were developed for committees and groups that regularly report to the Judicial Council, to inform them of the Council's expectations for the reports. The proposed amendments to Council Norms include formatting changes and clarification of the roles of Council members.

Changes discussed:

- Delete Council norm number 10
- Modify Council norm number 14 to include the expectation that Council members will attend Council meetings in person or electronically before sending a judge in their absence.
- Include in the guidelines a request for an executive summary if the materials are voluminous.
- Include in the guidelines an introductory appreciation for their presentation.
- Include in the guidelines a request to explain how their work advanced the core mission of the court.

Chief Justice Durrant thanked Ms. Dupont.

Motion: Judge Appleby moved to accept the scheduled reports from external groups, Boards and committees, the Council Presentation Guidelines, and the Council Norms, as amended with the changes as listed above. Judge Sessions seconded the motion, and it passed unanimously.

17. NCSC SYSTEM REVIEW PHASE 2 CONTRACT & TIMELINE: (Cathy Dupont)

Chief Justice Durrant welcomed Cathy Dupont. The same project team that conducted the initial assessment, Patti Tobias, Principal Court Management Consultant with the National Center for State Courts and James D. (J.D.) Gingerich, Director of the State Courts Partnership will serve as the project team for Phase 2.

Plan:

- Project Initiation – Teleconference – week of January 13, 2020
- Develop & distribute employee and judicial officer surveys – February 5, 2020
- Compile survey results and report to the Steering Committee – March 2020
- Structured group discussions – May 2020
- Submit final report to the Steering Committee – May 2020
- On-site presentation of final report – August 2020

Ms. Dupont explained the consultants’ cost \$50,000 included travel time, visits to districts, meetings, and compilation of the survey results. Funding would come from Council reserves that have been set aside.

Chief Justice Durrant thanked Ms. Dupont.

Motion: Judge Pullan moved to approve Phase 2 of the NCSC System Review, as amended to reserve the on-sight presentation for the steering committee to make that determination at a later date and email the Council a draft report once completed. Judge Shaughnessy seconded the motion, and it passed unanimously.

18. MODEL UTAH CRIMINAL JURY INSTRUCTIONS COMMITTEE REPORT: (Judge James Blanch and Michael Drechsel)

Chief Justice Durrant welcomed Judge James Blanch. Judge Blanch reviewed the committee composition as well as instructions the committee has completed. The committee is currently working on DUI and related traffic instructions. Once completed, the committee will focus on burglary & robbery offenses, homicide offenses, use of force & prisoner offenses, and wildfire offenses instructions.

Chief Justice Durrant thanked Judge Blanch.

19. APPROVAL OF MEMBERSHIP TO THE PRETRIAL REFORM SUBCOMMITTEE: (Keisa Williams)

Chief Justice Durrant welcomed Keisa Williams. Ms. Williams noted the Management Committee approved moving the task force to a subcommittee reporting to the Pretrial Release Standing Committee with a composition of Ms. Williams (staff), Judge Todd Shaughnessy (district court judge), Heidi Anderson (Information Technology), Doug Thompson (public defender), Sheriff Brian Nielson (law enforcement) and Chris Allred (prosecutor).

Chief Justice Durrant thanked Ms. Williams.

Motion: Judge Appleby moved to approve amending the joint task force to a subcommittee reporting to the Standing Committee with the composition of Ms. Williams (staff), Judge Todd Shaughnessy as Chair (district court judge), Heidi Anderson (Information Technology), Doug Thompson (public defender), Sheriff Brian Nielson (law enforcement) and Chris Allred (prosecutor), as presented. Justice Himonas seconded the motion, and it passed with Judge Shaughnessy abstaining.

20. CJA RULES 4-403 AND 4-503 FOR FINAL ACTION: (Keisa Williams)

Chief Justice Durrant welcomed Keisa Williams. The proposed amendments to CJA 4-403 address an issue created by the implementation of a new Utah Rule of Civil Procedure, Rule 109, which becomes effective January 1, 2020. Rule 109 provides that a standard injunction shall be issued by the court immediately upon the filing of certain domestic relations cases. The proposed amendments to rule 4-503 require Licensed Paralegal Practitioners to file documents electronically. Policy and Planning recommends that the Judicial Council approve the amendments to CJA Rules 4-403 and rule 4-503 on an expedited basis with a January 1, 2020 effective date, pursuant to its authority under CJA 2-205.

Judge Cannell was concerned approving rule 4-403 would create a substantive rule that would not allow for judicial discretion, but some discretion could be created by presiding judges' standing orders in the districts. Judge Pullan noted the rule states unless otherwise ordered by the courts the injunction shall issue. Judge Pullan stated "we if go this direction, the minutes should reflect that the Council is saying we do this only in the narrowest circumstances." Judge Pullan was concerned that IT had already put measures in place to implement the rule before it was approved.

Chief Justice Durrant thanked Ms. Williams.

Motion: Judge Shaughnessy moved to approve amendments to CJA Rules 4-403 and 4-503 for final action, as presented, with an effective date of January 1, 2020. Judge Appleby seconded the motion, and it passed unanimously.

21. SELF-HELP CENTER FUNDING INCREASE: (Nathanael Player)

Chief Justice Durrant welcomed Nathanael Player. At the August budget meeting before the Judicial Council the Self-Help Center (SHC) requested 1) \$98,155 in ongoing funds to provide permanent funding to make the five existing SHC staff attorneys full-time; and 2) \$96,909 in ongoing funding for one additional full-time staff attorney. The first request was sent to the ad hoc Budget & Finance Committee to see if they could find internal funding, and the second request was prioritized by the Judicial Council as a budget request for the legislature.

Currently, the temporary funding for the five part-time attorney positions for full-time work will expire on June 30, 2020. The Ad Hoc Budget & Finance Committee decided not to use projected savings based on clerical weighted caseload numbers to fund this request.

Possible solutions:

1. Instead of requesting ongoing funding for an additional staff attorney from the legislature, ask the legislature for ongoing funding to keep existing staff attorneys full-time; or
2. Do not send any request for funding to the legislature during the 2020 session, and resubmit the request for the Council's consideration next year.

Substituting the funding request to the legislature would mean asking for \$109,315, instead of \$96,909. This is \$12,406 more. The Council approved market comparability adjustments for four staff attorneys, so the cost for funding request number one went up. If this change is too difficult to accomplish then Mr. Player requested that the courts not send any request to the legislature this session.

Judge May noted the Budget & Finance Committee approved switching the legislative request from one Self-Help attorney to ongoing funding for the current attorneys. Ms. Dupont stated the Council appropriates one-time savings and reserve funds each year, the request for ongoing funding for the current attorneys was originally approved with one-time funding.

Chief Justice Durrant thanked Mr. Player.

Motion: Judge Shaughnessy moved to amend the legislative request from one Self-Help attorney to ongoing funding for the current attorneys with an additional \$7,000, as presented. Judge Appleby seconded the motion, and it passed unanimously.

22. 2020 PROPOSED AUDIT SCHEDULE: (Karl Sweeney)

Chief Justice Durrant welcomed Karl Sweeney. Mr. Sweeney reviewed the 2020 audit schedule, as approved by the Management Committee pursuant to CJA Rule 3-415. Mr. Sweeney is working with the TCEs to have their support services coordinators assist with audits in their districts.

Chief Justice Durrant thanked Mr. Sweeney.

23. SELF-ASSESSMENT OF AUDIT SERVICES WITH EXTERNAL VALIDATION: (Karl Sweeney)

Chief Justice Durrant welcomed Karl Sweeney. The Department of Workforce Services (“DWS”) Director of Internal Audit conducted an independent validation of the self-assessment performed by Internal Audit Department. The primary objective was to verify the assertions and conclusions. The validation, concluded on December 3, 2019, consisted of a review and a test of the procedures and results, and included interviews with the Chair of the Management Committee and senior managers.

Chief Justice Durrant thanked Mr. Sweeney.

24. OLD BUSINESS / NEW BUSINESS

Judge May noted the Budget & Finance Committee discussed the need to address the court's career ladder and market comparability salary adjustment process and policies. . The

Council requested the Budget & Finance Committee review career ladder increases and the market comparability process used by the courts.

Justice Himonas recommended the Council create a subcommittee to address recent press coverage of debt collection practices and state statute that permits the use of bench warrants as a tool to collect judgements. He mentioned three individuals arrested last week on civil bench warrants due to non-appearance at sup-order hearings. The Council recommended addressing this with the Rules of Civil Procedure Committee. In addition, the Board of District Court Judges and the Board of Justice Court Judges will address this issue.

Ms. Dupont noted part of the Domestic Violence Program Coordinator positions salary, Amy Hernandez, comes from the VAWA grant. The grant has increased this year with what is anticipated to be one-time funding from \$75,000 to \$150,000. Ms. Hernandez will prepare a proposal for spending the additional funds, to which, the Council determined the Administrative Office of the Courts shall determine how the additional funds should be spent.

Judge Mortensen reminded the Council of the discussion regarding the federal courts request to expand the Fifth District Court. The federal courts are unable to pay \$15,000 for a feasibility study. The courts have funds available through the Facilities Department to pay for the study. The current lease ends in 2024 and with the current population growth the courts will need the space currently housed by the federal courts. The Council requested Judge Mortensen return to the Council after speaking with the federal courts again regarding the cost of the feasibility study.
