Bronwyn O'Hara – New Appointment

Thank you.

January 15, 2020

My name is Bronwyn O'Hara. Mayor Holly Daines asked me for a resume that would give my background related to serving on the Historic Preservation Committee for Logan.

I have lived in Missouri, California, Texas, Louisiana, Virginia, Delaware, Indiana, New Hampshire, Kansas, Idaho, and Utah. I have traveled to such U.S. cities as Chicago, St. Louis, New York City, Washington, D.C., Baton Rouge, Kansas City, Omaha, Niagara Falls, Indianapolis, Philadelphia, Boston, Concord, Albuquerque, Phoenix, Charlotte, Houston, Dallas, New Orleans, San Antonio, San Francisco, St. Augustine, Austin, Sacramento, and Jackson Hole.

The architecture of buildings has always fascinated me. I enjoy the scenic appreciation of melding history with current living spaces. I am drawn to places that have maintained the historical heritage in a way that is appealing to a new generation of citizens.

What I can offer the Logan Historical Preservation Committee is my ability to study the issues at hand and consider all angles of impact on the community. I believe I am fair-minded and unbiased. I am retired and able to serve the 4-year term.

I would like to serve on this committee.
