The Roads were discussed. They will be bladed in the spring and a couple of loads of road base will also be hauled in for in front of the search and rescue building. The Town of Circleville donated us 2 bags of cold mix to use on potholes for the turn on HWY 153 and 300 West.

Councilman Greg Pearson reported on the firehouse. He stated that they received payment for the Kingston wildland fire. The corner next to the cement in front of the cement out front keeps sluffing off during rain storms. This spring they will put some cement and slope it to prevent more corrosion.

Overdue water bills were discussed. The clerk will send out 2 disconnect notices and 5 letters of concern to those on the list. No other concerns on the water at this time and the clerk has received the water report to fill out.

Some brush will need to be cleaned up at the cemetery and nothing to report on the airport.

Councilmember Jodi Hurdsman reported on the Christmas Dinner. She stated that we feed about 110 people. She had purchased 70 pounds of spiraled ham. It was a good turnout and thankful for those that furnished food. Most of the bags of candy have been delivered.

Mayor Rickey C. Dalton will meet with Zach Leavitt to go over the ordinance update for the Town of Junction.

The Board members discussed the vacant council position. They decided to appoint Bill Merritt as the councilman. Mayor Dalton will talk with him and then a motion can be made next month.

The financial statements and bank statements for the month of December were available for review.

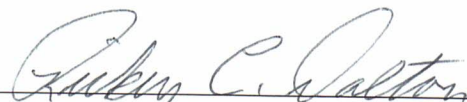

ORDER: Claims were available for the January payroll and accounts payable which goes from Check # 10810 to Check # 10840.
